

2026 National Jamboree Contingent Payment Obligation Agreement

Dear Scouts and Parents,

We are thrilled that your Scouts are considering joining us for the 2026 National Jamboree! Below are the payment details for their participation:

Deposit:

A \$250 deposit is immediately required to secure a spot, when one becomes available, for the 2026 National Jamboree Contingent. ***This deposit is no longer refundable.***

Payment Schedule:

By March 1, 2025: \$600 per person

By June 1, 2025: \$600 per person

By November 1, 2025: \$600 per person

By February 1, 2026: \$550* per person

*Please note, we aim to manage costs effectively, which might reduce the final payment amount, although our budget is very tight at the moment. We will be glad to share our budget with any interested parent.

For those on the waiting list, please budget accordingly as you will be expected to meet the current payment schedule immediately if moved to an approved contingent spot.

This payment plan reflects updates from National Scouting America. *Please disregard any previous fee schedules.* Note that fees for new participants will increase after November 3, 2025.

Important Obligation:

After making the payment on March 1, 2025, or if joining the contingent after this date, **you are obligated to pay the full amount of \$2600 per person.** If you cannot complete your payments for any reason, you must find a replacement Scout willing to reimburse you for the slot. We maintain a waiting list and will assist by sharing contact information of interested parties, if available.

Our budget, including National fees, gear, and transportation costs, is very tight. Losing even one participant could jeopardize our ability to attend the Jamboree. Therefore, we must be firm on this obligation to ensure the event's success for all.

We appreciate your understanding and commitment to this payment schedule. Thank you for your cooperation in making this Jamboree a memorable experience for all involved.

Please sign and return this statement of understanding to join/remain in our contingents.

By signing below, I agree to be held responsible to the payment obligation as outlined above for the 2026 National
