Zoinks!

Grab your magnifying glass and hold onto your Scooby Snacks—you've officially joined the Mystery Inc. crew for this year's Cub-N-Partner Weekend: The Mystery Machine Edition!

As a leader, you are the Fred, Velma, and Daphne of this operation. While your Cub Scouts are channeling their inner Scooby and Shaggy—chasing down clues, navigating the trails, and maybe getting a little spooked by the legendary "Skymont Monster"—we are counting on you to keep the Mystery Machine running smoothly.

Keep your eyes peeled, your energy high, and your spirit adventurous. With your guidance, our Scouts will crack the case, and make memories that last long after the mystery is solved.

Thank you for your dedication, leadership, and willingness to dive headfirst into the adventure. Now, let's go unmask some fun!

DETAILS

Range & Targets Activity Waiver:

All Scouts & Additional Youth participating in our Range & Target activities will need a signed waiver. That waiver can be found on the registration page for this event.

Medical Services:

The Skymont Camp Medic is located at the Administration Building in the Health Lodge. The Camp Medic is on-call 24 hours a day for emergencies. The Camp Medic is in place for basic first-aid and to evaluate emergencies, but will not provide or treat routine or chronic healthcare conditions. The nearest hospitals are Ascension St Thomas River Park in McMinnville, TN, or Unity Medical Center in Manchester, TN. Both are within 45 minutes of camp. Units must provide their own transportation for all off-site medical care unless the Camp Medic determines that an emergency vehicle is medically necessary. There is NO electrical service in campsites and generators are not permitted. Units must be prepared to provide battery power for any and all medical devices if needed. Recharging is available at Scoutmaster Swings.

Wildlife Awareness:

Skymont sits on over 500 acres of wilderness along the Cumberland Plateau and is home to a wide variety of wildlife. All wildlife at Skymont is considered to be untamed and in their natural habitat. Scouts should exercise the principles of Outdoor Ethics while on camp. Wildlife should be left undisturbed at all times. If wildlife enter the camp area and become a nuisance or a threat, safely evacuate the area and notify the Camp Ranger.

General Cleanliness:

A Scout is Clean. Each Pack should bring its trash to the trash trailer behind the dining hall. Trash should be secured tightly to avoid spills and littering during transport. Scouts should not wear wet or soiled clothing into the Dining Hall.

Showers & Latrines:

Most campsites at Skymont are outfitted with a bathhouse featuring 3 flush toilets, a trough sink, and 2 private showers, along with a tankless water heater which can be connected to a propane cylinder (to be provided by the unit and connected by the Camp Ranger or Camp Commissioners) to supply hot water to the showers. Leaders must respect the privacy of Scouts in situations such as showering and intrude only to the extent that health and safety requires. Packs should be prepared to supply garbage bags, paper towels, and soap for the latrine in their campsite.

ULTRA **FAST PASS**

We are SO excited to make your check-in process even EASIER for camp this Spring! For Packs who turn in all A-B Med Forms & RATA Waivers prior to arriving at camp, your families will be able to check in while still in their car and head STRAIGHT to your campsite to unload!

UNIT LEADERS: Please gather all of your forms and bring them to the Scout Service Center on (NEEDED). A link will be emailed out for you to set your appointment time.

ONCE AT CAMP: Families will be stopped just before the entrance into Main Camp and checked in while still in their cars! They'll receive their wristbands and a camp map to help them on their way. They'll be able to drive straight into their campsite, unload, and bring their vehicle back to the parking area before setting up!

FOR THOSE NOT USING FAST PASS: You will still be stopped, registration checked, and then asked to proceed to the parking lot to check-in in the admin building.
