

Session One: September 25-26

Session Two: September 26-27

Program Guide

Dear Parents/Guardians:

We are proud to deliver an innovative camp experience focused on the fun, fellowship, and family atmosphere that has made Scouting the successful program it has been for over 110 years. This high-quality program is designed to help strengthen the year-round Pack program. Scouts will spend their weekend(s) doing fun-filled, adventurous, and family-oriented activities!

Cub Growl is an excellent opportunity for our Scouts to grow and develop into the best version of themselves. They will test their Scouting skills, work on STEM experiments, play games, make crafts, perform skits, sing songs, hang out with friends, and build lasting memories with their families! Cub Growl is primarily designed to welcome families that are brand new to Cub Scouts, but all families are welcomed and encouraged to attend. You will be glad you did!

The Great Smoky Mountain Council and its Cub Scout Program staff have built a solid reputation for providing an exciting experience that every Scout will remember. They will never forget the fun and experience they gained at Camp Buck Toms and will want to return year after year as they advance through Scouting.

If you or your Scout has special needs (accessibility, equipment, food allergies/intolerances, severe allergies, etc.), please let us know before camp begins so we can provide the appropriate accommodation at the campsites, dining hall, and health lodge.

Please feel free to contact your cub camp director with any questions.

On behalf of the Great Smoky Mountain Council and the 2026 Council Cub Program Staff, we are excited to see you at our event(s)!

Yours in Scouting,

Cub Camp Director
Missy Campbell

REGISTRATION

All camp participants can register online. Registrations can be made by individual families, or Packs may be registered as a Unit by one of the Key Three Leaders (Cubmaster, Charter Organization Representative, or Committee Chair)

Session 1: September 25th-26th

Early registration is \$35 per person and closes at 11:59 pm on September 15th.

Regular registration is \$45 per person and closes at 11:59pm on September 21st.

Session 2: September 26th-27th

Early registration is \$35 per person and closes at 11:59 pm on September 15th.

Early registration is \$45 per person and closes at 11:59pm on September 21st.

- Each session is a separate Camp.
- Once a family is registered, they should not expect to be able to switch sessions.
- Walk-ons are not allowed at either session because the Council will have already placed orders for food and supplies.
- ID bracelets will be provided for all camp participants at check-in and should always be worn.
- If you, a Scout, or an adult you are registering has any special needs, please contact the Cub Camp Director before camp to ensure we can accommodate you.

REFUND POLICY

Refund requests made 30 Days prior to the event are eligible for a full refund. Requests between 2 weeks and 30 days are subject to a 50% refund. Requests within 2 weeks of the event are at the discretion of the camp director or staff advisor. Refunds are usually granted only in cases of emergency or for medical reasons (a doctor's letter is required). All refund requests must be made by a unit leader via email to natasha.leahey@Scouting.org. No refunds will be given after the event.

CHECK-IN PROCEDURES

Check-in for Session 1 will begin at 6 pm on Friday. Check-in will be at the marked registration tables in the Dining Hall next to the main Camp Buck Toms parking lot. Check-in will close at 10pm ET. If you plan to arrive after 10pm, or if you are delayed due to traffic or unforeseen circumstances, please call Staff Advisor, Anthony Ingram, at 865-455-5268 to make arrangements.

Check-in for Session 2 will begin at 1:30 pm on Saturday afternoon. Please do not arrive early, as the participants for Session 1 will be departing the camp property.

Please note that no one is allowed to proceed onto Camp property until AFTER they have properly checked in. This is a safety procedure to ensure that we always know who is on the property.

Parents/Guardians/Packs should not arrive early unless they have been told to do so. Volunteers will greet campers and direct them to the camp bus or trolley, which will transport their camping gear and them to their designated campsite. You can also bring a portable wagon to transport your equipment to your campsite.

Please note: for the safety of our campers and staff, we can only provide bus or trolley transportation during daylight hours. Once it is dark, campers will be required to transport their own gear down into camp.

Please note: ONLY adults who are the parent(s) or legal guardian(s) of a Scout are allowed to stay with them overnight on property. Other adult relatives are only allowed to camp on the property if they have completed an Adult Application, paid the registration fee (currently \$75 per adult), and have successfully completed and received verification of the Safeguarding Youth Training (SYT - <https://www.scouting.org/training/safeguarding-youth/>). This process can take from 7 to 10 business days from start to finish, so please plan accordingly. If you would like an electronic copy of the Adult Application and/or the link to the online Safeguarding Youth Training (SYT), please submit a request to Staff Advisor, Anthony Ingram at Anthony.Ingram@scouting.org. Note: when you arrive at camp, please be prepared to provide a hard copy of your application and your Safeguarding Youth Training certificate of completion.

Scouts can arrive in their Scout uniform, a Scout activity shirt, and/or typical play clothes. To identify and track campers, unique bracelets will be distributed at check-in. Campers may arrive individually or in groups (Dens/Packs), but we recommend that all participants on your registration plan arrive at camp together. (especially if their Pack Leader brings all of the Medical Forms) All Scouts must be accompanied by an adult at check-in, such as a parent/guardian or a registered leader. Scouts will not be allowed to check in alone. Once the family has received their bracelets, they may board the camp bus/trolley or hike their equipment to their campsite.

All campers attending must BRING A PHYSICAL COPY of their completed parts A and B of the BSA medical form. If a leader is bringing their Pack's medical forms, they are expected to arrive before their campers do, so the administration team can mark it on the check-in paperwork.

CHECK-OUT PROCEDURES

The procedures for campers (Scouts and adults) for check-out consist of the following steps.

1. Pack up your gear.
2. Walk through your campsite, picking up all your trash.
3. Put all trash in trash bags and place the bags at the end of your campsite, next to the main camp road.
4. You can either walk up your gear or wait for the camp staff to take the bus around to pick you and your gear up and take you back to the parking lot.
5. Check out is at the same location that you checked in at. You may pick up your medical forms and patches, complete and turn in evaluation forms, and sign out of camp.
6. **Please Note:** A proper check-out is extremely important so Camp Staff can be confident that everyone has safely departed, and no one is left on the property.

GENERAL INFORMATION:

CAMP BUCK TOMS

Camp Buck Toms is located at **373 Camp Buck Toms Road, Rockwood, TN 37854**. Located on the shores of a private cove on Watts Bar Lake in Roane County, Camp Buck Toms is the pride of the Great Smoky Mountain Council. Unlimited opportunities for adventure and growth await among our scenic hills, dotted with Indian mounds and rich in wildlife. Sixteen campsites – each with a mix of four- and eight-person Adirondacks (three-sided shelters with bunk shelves built-in on the three sides) and an 18' x 20' shelter with electricity – can accommodate more than 600 Scouts. Our modern, spacious dining hall with a full commercial kitchen feeds campers quickly and comfortably.

We will have clear signage to direct visitors to and around the camp. Campers will always stay in designated areas and abide by Safe Scouting Rules. **Remember:** our safety policy requires that all youth (scouts and siblings) use the Buddy System. Any youth seen moving about camp property alone will be stopped and asked, “where is your buddy/adult?”

[illegible]

As an American, I will do my best to-

- Be clean in my outdoor manners,
- Be careful with fire,
- Be considerate in the outdoors, and
- Be conservation minded.

LEAVE NO TRACE *principles for kids*

Know Before You Go
Choose the Right Path
Trash Your Trash
Leave What You Find
Be Careful with Fire
Respect Wildlife
Be Kind to Other Visitors

ACCESSIBILITY AND SPECIAL NEEDS

We will gladly help and make reasonable accommodations for special needs, but first, we must know what is needed. Please include this information in your online registration and contact the Camp Director immediately to ensure we can accommodate you. Check the appropriate special needs boxes when registering on the online form, then complete the special needs/medications form section. Please be aware that although we will make reasonable accommodations where possible to meet needs, staff and volunteers are not experts in special needs; thus, we cannot guarantee that we can accommodate all needs. The Great Smoky Mountain Council reserves the right to deny admission to camp or dismiss from the camp anyone whose medical condition, mental condition, behavior, personal conduct, or influence on other camp participants is deemed detrimental to the camp community. Visit www.easttnScouts.org for more information.

MOBILITY NEEDS

Arrangements should be made to bring a rough-terrain wheelchair or disability-specific Electric Powered Assisted Mobility Device (EPAMD) to camp if you need it. Even with such a device, some areas may still be inaccessible. Electric hook-ups are available, and paved (concrete or asphalt) walkways are present.

SENSORY NEEDS

Sensory bags equipped with noise-canceling headphones, fidget tools, and verbal cue cards will be available to all campers at the First Aid Office for those who may feel overwhelmed by the environment. These campers are also welcome to visit the Camp Buck Toms museum, a quiet area dedicated to those needing a more peaceful and secure environment.

DIETARY NEEDS

If you have special dietary needs (food allergies or intolerances), you should note this on the registration form. If you have concerns, please contact the Camp Director as soon as possible before arriving at camp. We will make reasonable efforts to accommodate your needs. Additionally, fill out the applicable sections of the provided special needs/medications form.

OTHER NEEDS

If you have any other special needs (excluding medication), contact the Camp Director as soon as possible before camp.

SERVICE ANIMALS

Pets are NOT allowed on camp property. Service animals are trained to do work or perform a task for persons with disabilities. Emotional support or comfort animals are NOT service animals, and are NOT recognized by the ADA (Americans with Disabilities Act) and are NOT allowed on camp property.

MEDICATION POLICY

All prescription medications (for adults and Scouts) should be kept in their original container(s) and placed in a heavy-duty Ziploc bag, one per individual, along with any dosing cups (for liquid). The bag should contain the person's name and dosing information/schedule.

Medications should be turned in to our medical officer at check-in. (This is to ensure that medications are never left unattended in campsites so that no one has unauthorized access to them) They will be stored and administered at the First Aid area, next to the museum. Personal inhalers and EpiPens may be carried by campers on camp property; however, their presence must be reported to the Health Officer to ensure safety. All medications (prescription and over-the-counter) that campers should take regularly (or for emergencies, such as nitroglycerin) must be documented on the participant's medical form.

TRADING POST

The camp offers a Trading Post. Snacks, drinks, novelties, shirts, hats, and various patches will be available. Most Scouts spend an average of \$10- \$ 20 at the Trading Post. Larger items, such as shirts and hats, can cost more, between \$20 and \$30.

T-shirts and sweatshirts that are designed for the specific event are only available for pre-purchase as part of the online registration process, but a very limited supply of extra items are usually also available. Please be sure to pick up any items that you pre-purchase when you check-in (not at the trading post).

CAMP POLICIES AND PROCEDURES

CPAP MACHINES

CPAP machines should be able to operate on a rechargeable energy source (e.g., battery pack). You must bring your energy source with you.

ELECTRICAL USE

No electrical cords are allowed to be run across the campsite.

VEHICLES

Parking is provided at the Dining Hall parking lot. Once entering Camp Buck Toms' property, the speed limit is 10 mph. Personal vehicles are not allowed past the parking lot. The only exceptions are the Camp Buck Toms rangers and emergency vehicles. Golf carts are not permitted unless they are designated staff emergency vehicles.

VISITORS

Upon arrival, anyone on the camp property must immediately check in at the Administration building. All visitors will be asked to show identification, particularly those wishing to pick up Scouts. The official camp bracelet will identify authorized visitors, and volunteers should look for it when interacting with unfamiliar adults. Unauthorized visitors are not allowed onto the camp property. Camp Buck Toms is private property, and the staff must control access to the camp to protect the Scouts.

CELL SERVICE

Cell reception at Camp Buck Toms can be spotty, so please be prepared. Camp staff will have radios in addition to their cell phones. If you need the director, they will always be on the property and can be reached via the contact information section at the beginning of this guide.

MEDIA PRESENCE

Should a media member wish to speak to you, please direct them to the Camp Director or Staff Advisor, who will contact the Council Executive.

Please Note: THE GREAT SMOKY MOUNTAIN COUNCIL AND SCOUTING AMERICA ARE NOT RESPONSIBLE FOR LOST OR STOLEN PROPERTY. IF YOU HAVE LOST AN ITEM, YOU MAY CHECK AT THE ADMINISTRATION BUILDING TO SEE IF ANYONE HAS TURNED IT IN.

ANY ITEM FOUND AT CAMP AND TURNED IN TO THE ADMINISTRATION BUILDING, BUT NOT CLAIMED BEFORE CAMP ENDS, ARE TAKEN TO THE COUNCIL OFFICE (1333 OLD WEISGARBER ROAD, 37909) AND HELD FOR NO MORE THAN 2 (TWO) WEEKS. AFTER THAT TIME, THEY ARE DISPOSED OF OR REPURPOSED.

CAMPSITE INFORMATION

Camp Buck Toms has 16 campsites, with campsite #3 accessible to people with disabilities. Each campsite has a fire pit, a flagpole, a message board, a covered pavilion with picnic tables and lights, two 4-person Adirondacks (3-sided bunk shelters), and two or more 8-person Adirondacks. Photos can be found at Campsites - Great Smoky Mountain Council

The following rules are mandatory for using the Adirondacks, in keeping with BSA youth protection policies, courteous use, and best camping practices.

1. No one is permitted to sleep in the Adirondacks with a person of the opposite sex or an adult other than his or her spouse, parent, or guardian. Adult males, adult females, and youth males and females must bunk in separate Adirondacks. Different families cannot "mix together" in the same Adirondack.

2. To keep out the weather, the front entrance may be covered with a tarp (there is a metal rod for this). The camp does not provide tarps, which must be brought; an 8 x 10 works great. Tarps then need to be attached to the metal rod using zip ties or other removable devices, such as ropes or paracords.
3. No hammocks or tents are allowed inside or attached to the Adirondacks.
4. No hanging from the bars or rafters inside the Adirondacks.
5. No eating or drinking sugary drinks in the Adirondacks, as food debris attracts insects and small furry creatures.
6. No loose food items in the Adirondacks. Store food in hard-sided containers, preferably ones that latch.

BATHHOUSE RULES

Modern bathhouses are available and shared between two campsites, except Campsites #3, 14, 15, and 16. Each side has two toilet stalls, one shower, and a sink in the middle. A potable water faucet is located outside the bathhouse.

In keeping with BSA youth protection policies, the following rules are **mandatory** for using the bathhouses:

1. Only one of the following groups may occupy a single side of the bathhouse at a time: adult males, adult females, youth males, and youth females. There is a wooden sign in the entryway to the stalls. Please slide it over to the appropriate group (male/female, youth/adult).
2. If the sign was not used properly, call out before entering a side of the bathhouse to see who is in there. Adults should call out, "Are there any Scouts in here?" and Scouts should call out, "Are there any adults in here?"
3. If children need adult assistance for the bathroom or shower, only a parent or legal guardian may be present with that child in the bathhouse.
4. In case of an accident or medical emergency, a non-parent/guardian may enter the side of the youth's bathhouse, regardless of gender. Two-deep leadership is strongly recommended in this case.

BUDDY SYSTEM

All youth must have a buddy and travel together across camp. Youth should not move about the camp alone at any time. The safety of our children is paramount.

- Buddies must stay together at each activity, at meals, and even at the restrooms.
- Two buddies or an adult family member must accompany a camper sent from a program area to the First Aid Office or Registration Table.
- Additionally, Scouting America Youth Protection policies must always be followed: two-deep leadership (two registered leaders or one registered leader and one adult) and no one-on-one contact with youth who are not your children at all times.

FOOD IN CAMP

Session 1 campers will receive breakfast on Saturday morning. Session 2 campers will receive dinner on Saturday and a grab-and-go breakfast on Sunday morning. However, some adults and Scouts may wish to bring snacks or purchase them from the Trading Post. Store all food and sugary drinks in hard-sided containers, preferably ones that latch. Avoid leaving food debris around, as it attracts insects and opportunistic furry creatures.

COOKING IN CAMP

We understand that part of the adventure of camping includes roasting hot dogs and s'mores and other foods over a campfire, grill, or camp stove. However: if we under a FIRE BAN during the time of camp, no cooking or fires of any kind will be allowed. If you need or plan to eat anything outside of the meals provided in the dining hall, please plan for foods that do not have to be cooked.

We will do our best to alert campers as early as possible before you arrive if we are advised that a fire ban has been put into effect.

RANGE AND TARGET ACTIVITIES (previously called Shooting Sports)

Please do not bring your personal shooting-sports equipment; the camp will provide it. All youth and adults must always follow the Rangemasters instructions. There are no exceptions. Failure to do so will result in removal from the activity. NOTE: per the National BSA guidelines, Kindergarteners are not allowed to use BB Guns.

SWIMMING AREA

The Swimming and Aquatics areas are off-limits for Cub Growl. Fishing is not allowed in the swimming area.

DINING HALL

Meals will be served in the Camp Buck Toms Dining Hall. Please keep the following in mind:

- Lines will form for each meal. If you have an allergy that you previously told the Director about, please let the staff know when you arrive so that any special needs can be met.
- Scouts should be courteous to their neighbors in line, sitting, and eating.
- When Scouts are finished, they are expected to take their trays, cups, and eating utensils to the designated disposal area.
- Campers are expected to clean up their area, wipe down the table, and clean up any spills. Buckets with soap, water, and a rag will be provided. This is a good opportunity to remind Scouts that the Scout Law encourages them to be HELPFUL and CLEAN.
- The drink machines are turned on ONLY at designated mealtimes and not available throughout the day. There are numerous water fountains in the Dining Halls and water outlets throughout Camp for refilling water bottles.

PROHIBITED BEHAVIORS

No physical or verbal bullying. Throwing objects is prohibited except as part of an activity.

PROHIBITED ITEMS

- No smoking in camp (this includes electronic cigarettes).
- No tobacco products of any kind should be used on Camp property.
- No alcoholic beverages are permitted.
- No illegal drugs of any kind (in any form) may be used on Camp property
- Fixed blade/sheath knives are prohibited for everyone. Scouts cannot bring or possess knives at camp, regardless of training.
- No firearms, BB guns, or archery equipment are allowed on camp property other than that provided by the camp at the shooting ranges.
- No pets are allowed at camp. The only exception to this is certified Service Animals as outlined in the Americans with Disabilities Act (ADA).

HYDRATION AND HEAT STRESS

During any outdoor camp, adequate hydration is necessary. Water will be available at all campsites and activity stations. Please keep an eye on the campers and ensure they know to drink water throughout the day, and particularly encourage this during our break times. If a camper shows signs of dehydration, they will be taken to the First Aid Office for evaluation. Parents will be called only if dehydration is severe. Typically, after rest and hydration, the camper will feel well enough to resume activities. Heat stress is also a risk in Spring and Summer. Adequate hydration and recognizing the early symptoms are essential. If a camper experiences dizziness, headache, fainting, or other signs of heat stress, he/she should tell the camp guide or other adult. The camper will then be taken to the First Aid Office for evaluation. If the heat stress is severe, the parents will be called. If the symptoms abate shortly after being in the air-conditioned visitor center and drinking cool water, the camper will return to activities.

EMERGENCY PROCEDURES

Emergency procedures are in place at Camp Buck Toms to ensure everyone stays safe and healthy. Please review the guidelines presented below before arriving at camp.

SEVERE WEATHER

The Camp Director will regularly monitor the forecast and radar during camp. In the event of severe weather, we have procedures in place to ensure campers' safety. We will immediately send a notice to all volunteers and parents letting them know what is happening and when the danger has passed. Social media (e.g., Twitter, Facebook) may also be employed. The Camp Director will alert camp staff via radio and text to implement severe weather protocols if severe weather occurs. Campers should take the following steps as directed by staff:

1. Groups will move in an orderly fashion to the nearest shelter.
2. In case of a tornado, campers will move to the nearest approved shelter and shelter in place.

3. Await further instructions (e.g., all clear alerts) from the Camp Director before proceeding to the following camp activities.

FIRE

If a fire occurs in an area, take the following steps:

1. Everyone moves in an orderly manner out of the affected area.
2. Follow all instructions. Ensure that everyone stays put and out of the way of firefighters.
3. Under NO circumstances should Scouts be allowed to attempt to “fight a fire.”

MEDICAL EMERGENCIES

Camp Buck Toms has a certified Health Officer in the First Aid Office, typically a doctor, registered nurse, or EMT.

1. All emergencies should be reported to a staff member immediately.
2. All campers will be cleared away from the injured/ill person and continue camp activities.
3. The injured/ill person will not be moved; they will be made as comfortable as possible while waiting for the Health Officer and/or Camp Director.
4. First aid will be administered if needed.
5. The Health Officer or Cub Camp Director will inform the camper’s parents (if the camper is a youth) of the accident or illness.
6. If the Health Officer or Cub Camp Director determines that emergency personnel or equipment are required, provide a clear path for emergency personnel to the injured/ill person.
7. Medical situations that may not be deemed to be an “emergency” (i.e., bug bites, tick bites, bug stings, minor cuts/scrapes, etc.) should still be reported to the Health Officer right away so that the camper may be evaluated and the incident recorded.

- **Fishing**
- **BB**

Scout Oath

On my honor, I will do my best to do my duty to God and my country and to obey the Scout Law; to help other people at all times; to keep myself physically strong, mentally awake, and morally straight.

Scout Law

A Scout is:

TRUSTWORTHY. Tell the truth and keep promises. People can depend on you.

LOYAL. Show that you care about your family, friends, Scout leaders, school, and country.

HELPFUL. Volunteering to help others without expecting a reward.

FRIENDLY. Be a friend to everyone, even people who are very different from you.

COURTEOUS. Be polite to everyone and always use good manners.

KIND. Treat others as you want to be treated. Never harm or kill any living thing without good reason.

OBEDIENT. Follow the rules of your family, school, and pack. Obey the laws of your community and country.

CHEERFUL. Look for the bright side of life. Cheerfully do tasks that come your way. Try to help others be happy.

THRIFTY. Work to pay your own way. Try not to be wasteful. Use time, food, supplies, and natural resources wisely.

BRAVE. Face difficult situations even when you feel afraid. Do what you think is right despite what others might be doing or saying.

CLEAN. Keep your body and mind fit. Help keep your home and community clean.

REVERENT. Be reverent toward God. Be faithful in your religious duties. Respect the beliefs of others.

CAMP SCHEDULE

FRIDAY

(Session 1)

6:00 PM	Check In & Set up in Your Assigned Campsite
8:00 PM	Campfire Program
11:00 PM	Quiet Time & Lights Out

SATURDAY

7:30 AM	Opening Flags & Breakfast
8:30 - 11:30 AM	Morning Program
11:45-12:30	Check-out

SATURDAY **(Session 2)**

1:30 PM	Check In & Set up in Your Assigned Campsite
3:00 - 6:00 PM	Program
6:15 PM	Closing Flags & Dinner
7:30 PM	Campfire Program
11:00 PM	Quiet Time & Lights Out

SUNDAY

8:00 AM	Chapel
8:30 - 10:30 AM	Pack Up, Clean Up Your Campsite, and Grab & Go Breakfast
By 11:00 AM	Check out and Depart Camp

Camp Buck Toms Dining Hall

<https://easttnscouts.org/about/camps/buck-toms/>

Camp Buck Toms began in 1952, when William Perry “Buck” Toms bought a hilly 700+ acre plot of land on Watts Bar Lake and donated it to the Boy Scouts on the condition that a summer camp be built on the property. Three years later, in 1955, the first Boy Scouts began classes at Camp Buck Toms.

The Great Smoky Mountain Council provided Camp Buck Toms and Camp Pellissippi for Scouts to attend each year until the 1970s. In 1977, the dining hall at Camp Pellissippi burned down. Since then, Camp Buck Toms has served as the only summer camp of the Great Smoky Mountain Council.
