# LEADERS GUIDE

## APR 4 -6 2025

# CALLING ALL AGENTS!

Your mission, should you choose to accept it, begins at 18:00 hours 04 APR 2025 at Camp Currier, just west of Hernando, MS. Gather other agents to join your team and establish a base camp!

You and your agents will need a good night's rest under the spring stars. Morning will yield to a number of missions you and your team must complete. Your team will face stiff competition from rival teams looking to outsmart and outfox your team. As a team, you will work through all the missions to put the pieces together.

Agents will need to carry their full load out along with their lunch as they attempt to conquer the missions along East Road. The missions will test your teamwork and scouting skills. After lunch, we there will be many fun activities to participate in closing the evening with an awesome campfire in the Pickler council ring.

Do you and your team have enough skills to rise above all the rest and claim the top spot? Only time will tell.
