

APRIL 10-12, 2026

LEADERS GUIDE

WELCOME!

SpringQuest - after a long winter with freezing temperatures it's finally time to enjoy clear, crisp days and star-filled nights. It's time to be outdoors and experience what nature has to offer deep in the heart of Camp Currier!

Join us this April to attend Chickasaw Council's SpringQuest Family Adventure set for the weekend of April 10-12, 2026.

It is the goal of the SpringQuest staff to make your campout a rewarding one. Introducing young scouts and their families to the outdoors has many challenges and we have worked to make this a positive and rewarding experience.

Show up with your tent, sleeping bag, and gear, and we'll assign a nice campsite to you - complete with trees, a night sky, and maybe one or two owls hooting in the distance.

Your stay will be filled with activities and fun. As your unit participates in the activities, your cub scouts will learn the skills of shooting sports and the satisfaction of personal achievement.

Most importantly, you will be the guide during this campout, providing support and guidance for your young scouts as well as a comforting presence in the outdoors.

The sense of accomplishment felt by a Cub Scout sleeping outdoors for the first time can be contagious and hopefully will prepare your Scout for the many campouts to come in Scouts BSA!

Please read through this guide. It should answer any questions you may have from registration, to check-in, to activities, to check-out.

We look forward to seeing you at SpringQuest Under the Sea!
