WHY GIVE?

Scouting has been shaping leaders, building character, and strengthening communities for more than a century.

The 1916 Society ensures that this mission continues by providing lasting financial support that allows future generations of youth to grow, lead, and thrive. Your gift is not just an investment in programs today, but a commitment to the enduring impact of Scouting.

By giving, you help secure the resources needed to expand opportunities, reach more young people, and preserve the values that define Scouting. It is a powerful way to create a legacy; a legacy that will be felt not just now, but for generations to come.

Start your legacy today.
