- To create an atmosphere of Scouting at its best, living by the Scout Oath and Law.
- To enhance the relationship between the participant and his/her Unit Leader.
- To have FUN

What will the Scout learn?

The Scout will learn the fundamentals of good leadership. These include the skills of motivating people and getting the job done. They are presented in a form that encourages the Scout to practice these skills as they are learned. The Scout will learn the importance of forming a group into a unit that is working together because they want to. The tools of communication, identifying and using resources, representing the group, and dealing with problems will all be presented. Your Scout will be able to practice these skills while learning the results they can bring. The skills related to planning, effective teaching, and sharing leadership also will be presented. These tools are the ones that will get the job done. Scouts are challenged through various Patrol activities to provide practical, hands-on experience in using these skills. The Scout leaves with a "Leadership Tool Kit" to aid him/her in applying his/her newly acquired skills back in the unit.

NYLT- \$25 reservation fee will be applied toward the total registration fee. If we don't have 30 applicants by April 21st, we will not be able to host a course, and the \$25 fee will be refunded.
