Spring Family Camp

May 2-4, 2025

Sources report that Camp Mack Morris will be the scene of West TN Area Council's annual spring gathering of supercubs and caped cubcadets. We have from a reliable source that this year's gathering will be one to remember.

Activities will include the usual visits to the ever popular shooting ranges. Back by popular demand, Mr. Pope will be opening the waterfront (weather permitting). One exciting change this year, scouts will have opportunities to sharpen their Supercub Skills and work toward earning adventures!

The trading post will be stocked and ready to serve all our encamped friends. Sodas, candies, chips, plus a few of those things you may have forgotten. Make sure you check out the NEW MERCH while you're there.

The biggest change this year deals with dining hall meals. This year you have the option to opt out and provide your own meals yourself in your campsite. If you choose to dine in the dining hall, you will receive an armband upon arrival that will be used to track your meal plan for the weekend.

Registration is now open so scan the QR code and reserve your spot in the Camp Mack Morris training grounds.

For questions or assistance contact
Deidre Bush (Deidre.Bush@scouting.org) or
Kati Rohdy (kati.rohdy@gmail.com)

*Please pay careful attention to registration this year. In an effort to better serve you, we have made quite a few changes. Registrations are **NOT** finalized until you have a payment confirmation. Unpaid registrations will **NOT** be held past the deadline. **NO PAYMENT OR REGISTRATION** will be accepted at the gate.*
