**\$40.00 includes 2023 T-shirt**

*(Registrations after October 2, are not guaranteed a t-shirt)*

**Sandra Green 615-856-7777 eph5@att.net**

### **BASIC ADULT LEADER OUTDOOR ORIENTATION**

#### **Why BALOO?**

Every pack that camps overnight—for pack, district, or even council events—is required to have a BALOO trained leader onsite the entire duration of the event.

#### **Who should take this training?**

All Cubmasters, Assistant Cubmasters, Den Leaders, and Committee members are encouraged to take this training.

This session will follow the full syllabus, giving participants a unique hands-on experience so they can confidently conduct a safe and successful overnight camping experience for their Cub Scouts. Participants will have the opportunity to work as a team with other scouters across the council. As noted above, a pack **MUST** have at least BALOO-trained leader present at all times when the pack is camping. Because things can happen, it is advisable to have several BALOO-trained leaders in each pack. You would hate for the pack to miss out if the only BALOO-trained leader can't be there.

#### **What to Bring:**

- BSA Medical Form
- BALOO online training certificate (My.scouting.org>>BALOO Prerequisite Training v2)
- a chair
- personal camping equipment
- clothing appropriate for the weather
- a suggested gear list will be emailed to those who register
- Please eat supper before you arrive Friday evening
