Introduction to Outdoor Leader Skills

Who should take this training?

Scoutmasters, Assistant Scoutmasters, Crew Advisors, Crew Associates as a required part of your position training. Highly encouraged for Troop Committee, Crew Committee and COR's as well as Webelo, AOL leaders, and Cubmasters that already have BALOO. This course will give you a unique hands-on approach to all the skills your scouts need, and the syllabus is designed to walk you through from Scout to First Class.

Why should I take this training?

Scouting's outdoor program is a critical part of how the Scouts BSA program develops young leaders. While camping or participating in other outdoor events, your Scouts will challenge themselves to learn skills they've never tried before or maybe didn't think they could do. In doing so, your Scouts will work together as a team to overcome adversity when things don't go as planned; this is truly the magic of Scouting that no other program does as well.
