Location: 7931 McCrory Lane, Nashville TN 3722

Please arrive around **8am** to start placing flags, the more volunteers helping get flags and direct to areas, the easier and better time all will have!

Don't forget to bring water and sunblock as it has been very hot these past few days.

Please take pictures so we can post it on our MTC website and our district facebook pages, pictures can be sent to Marketing Chair Kenyel Jetton @kenyel.jetton@scouting.org

Remember to keep with your group as we still are wanting to distance as much as possible while supporting our fallen heroes and showing our community our Scouting Program is alive and well!

Please give Raymond Straughan a call if you have any questions! His number is: (615) 512-2155
