

Nashville National Cemetery
1420 Gallatin Pike S, Madison, TN 37115

DATES:

Saturday May 25th, check in starting at 8am, opening ceremony at 8:30am, and start to place flags at around 9am!

We are raring and ready to give our help and support to those who have gave their life for our freedom. We are looking to place Flags at all the grave markers in the Nashville National Cemetery, over 35,000.

Adults or Older Scouts and Volunteers, please bring a screwdriver to help poke holes in the ground for the flags for the younger Scouts, it is much easier with a small hole already for the flag.

Please come to the registration table at the Rostrum/Admin Building which is in the back of the cemetery, we will have flags and signs for your help and convenience. You are available to park near your section, so you do not need to park at the old kmart/amazon area! We will have one adult volunteer check in with registration while youth and others stay in the vehicle, give you guys some flags, show you how to place the flags and then give you your section to drive to and park!

Please bring a water bottle and sunscreen, it will be hot! Please wear your Class A!
