About Boxwell Reservation

Boxwell Reservation is located on Old Hickory Lake in Wilson County on State Highway 109, five miles south of Gallatin near LaGuardo, Tennessee. Its beautiful location features rolling hills with lots of great campsites and hiking trails. The surrounding waters are excellent for swimming, canoeing, fishing and other aquatic activities. For these reasons, and because of its central location, it was well chosen to meet the needs of Scout units in the Middle Tennessee Council. In 1952, the original site was located on what would become Old Hickory Lake. In 1957, the Middle Tennessee Council—through a special act of congress—acquired the title for 528 acres of land from the U.S. Army Corps of Engineers for a small fee of $1.00. Subsequent purchases brought its size up to 1,273 acres.

There have been four "Boxwells": Linton, Tennessee (1921-29), Narrows of the Harpeth (1930-48), Rock Island (Charles E. Parish Wilderness Preserve near McMinnville) (1949-59), and the present one. In 1938, the Order of the Arrow's Wa-Hi-Nasa Lodge #111 was founded at the Narrows of the Harpeth. In 1951, the South's first Wood Badge course was offered at the Rock Island camp. Each "Boxwell" provided great outdoor experiences for boys and their adult leaders and made its own contribution to the camping traditions of the Middle Tennessee Council. Today's Boxwell Reservation on Old Hickory Lake reflected and accelerated the rapid growth of Scouting in Middle Tennessee. Many people worked hard to raise the funds and make the arrangements necessary to acquire and develop these camps. Boxwell Reservation is named for the late Mr. Leslie G. Boxwell, a distinguished Tennessean and Scouter.

In 1960, the first summer camp season at the present camp was held for hundreds of eagerly waiting Scouts. Nearly every kind of tree native to Tennessee can be found somewhere on the reservation, and animal life is plentiful. Some evidence exists to suggest that the ground beneath is honeycombed with caves, and it is believed that Indian and pioneer trails crossed it.

The camps within the reservation are named for other outstanding citizens and Scouters. The developed camps include Camp Stahlman, Camp Parnell, Camp Craig, Gaylord Cubworld, and the Percy Dempsey Camporee Site. Camp Light, Explorer Island, and Camp Beany Elam have been kept as wilderness sites. Boxwell Reservation is rich in tradition and widely considered one of the very best summer camp facilities in the United States.

Gaylord Cubworld was inaugurated on May 17, 1996. Cubworld is an awesome place where a Scout's imagination will soar. Cub Scouts, Webelos, parents, and leaders can enjoy a weekend stay or just a day at Gaylord Cubworld. Participants can experience one or all of the theme areas: Cub Fort, Native American Village, Cub-A-Lot Castle, Pirate Ships, and the Olympic Village.

Cub Advancement at Cubworld

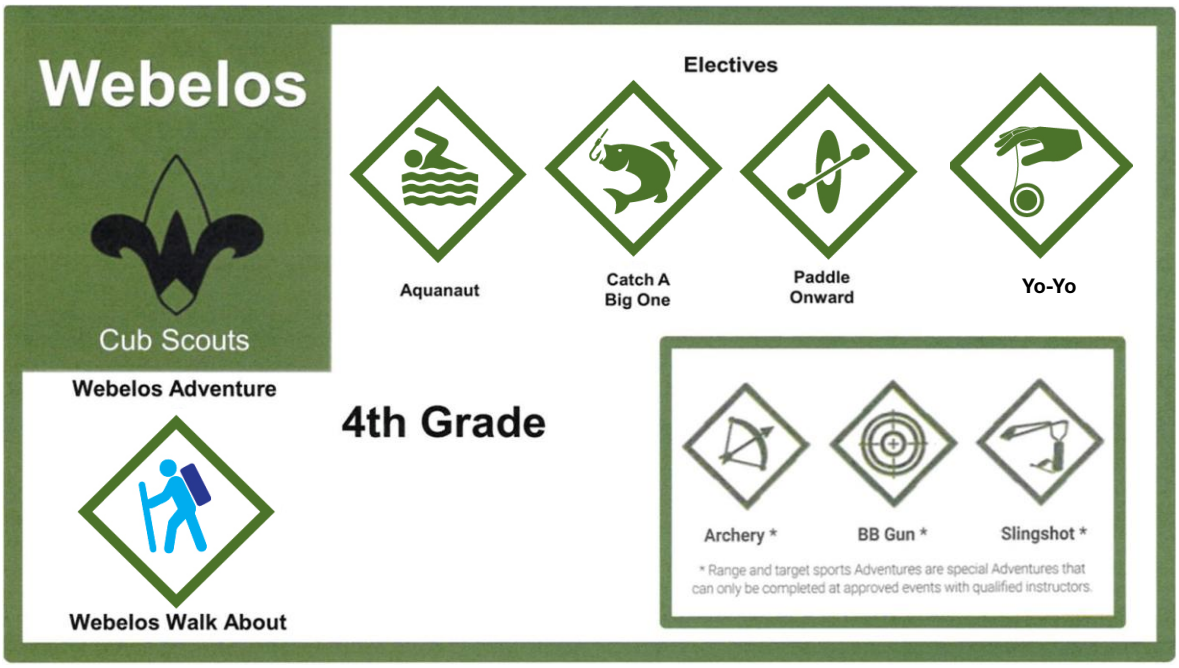

During Check in each Pack or Scout will be able to sign up for their classes. Each Scout will have the opportunity to work on four activity pins during camp if they choose too. This program will allow Scouts to work on core activities and electives to help them in their ranked advancements. We hope these classes will co inside with our Day Camp program throughout the Middle Tennessee Council.

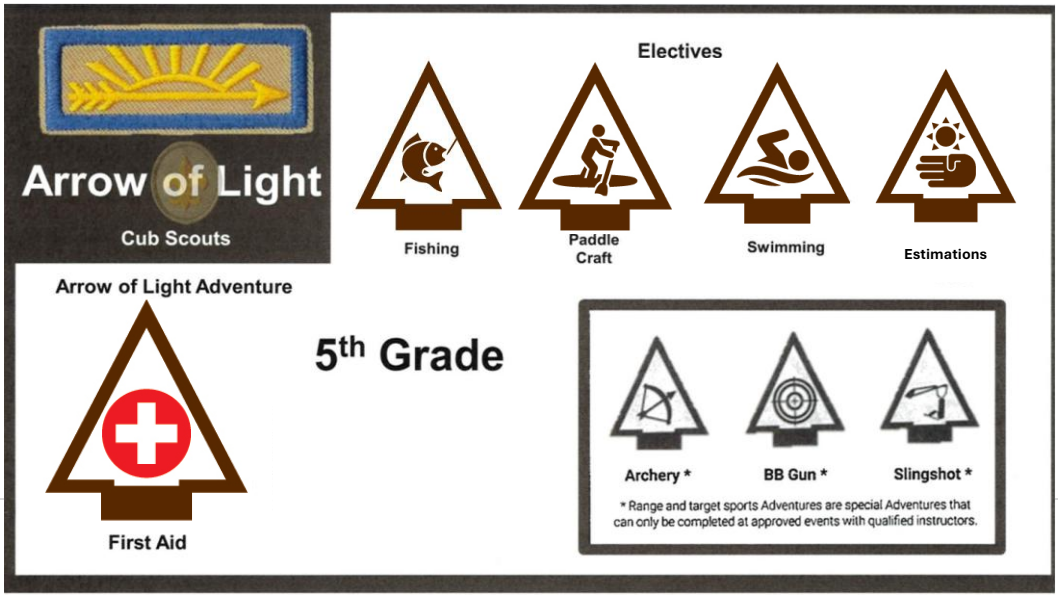

AOLs will also be able to join the AOLs walk on the last day of Camp. This is an opportunity for the AOLs Scouts to see what the Scouts BSA do during their time at Summer Camp.

This adult can then give the mail to the camp staff who will deliver it every flag ceremony (raising & lowering). If you would like mail delivered in a specific order, please note the date of delivery somewhere on the envelope. Lost and Found

Lost and Found is in the Cubworld Dining Hall. Please ask the Program Director for assistance in the event of a lost item. The Middle Tennessee Council is not responsible for items lost or stolen while at camp.

Camp Staff Opportunities

Camp Positions are available on Boxwell Reservation's Resident Camp Staff for motivated Scouts and Scouters www.mtcscouting.org.

General Cleanliness

Let's be clean in everything we do. Hot showers are available for Scouts and Leaders. Help us keep camp, latrines, and shower houses clean. Trash barrels are in each campsite and throughout camp. Please remember to leave camp cleaner than you found it.

Trading Post

The Cubworld Trading Post will be open during key hours of the day, times will be posted outside the Trading Post. It is well stocked with Scout supplies, soft drinks, cold water, ice cream, snacks, and fun items for the Scouts.

Most Scouts will find their way to the Trading Post several times during their stay at camp. We hope that our Trading Post will enhance your stay and make for a very enjoyable camp experience. We recommend that each Pack establish a banking system with an adult banker to help safeguard the money that the Scouts bring to camp. We also accept Visa, MasterCard, American Express, and Discover.

Leaving Camp

NO ONE may leave camp property without first signing out. Please check with one of the Camp Directors or the Camp Commissioner for more details. A sign out/in sheet will be provided in the Cubworld Dining Hall.

Alcohol, Tobacco, and Drugs

An important way adult leaders can model healthy living is by following the policies on alcohol, tobacco, and drugs. Leaders should support the attitude that they, as well as youths, are better off without tobacco in any form and may not allow the use of tobacco products at any Scouting America activity involving youth participants. This includes the use of electronic cigarettes, personal vaporizers, or electronic nicotine delivery systems that simulate tobacco smoking. All Scouting functions, meetings, and activities should be conducted on a smoke-free basis, with smoking areas located away from all participants.

As outlined in the Scouter Code of Conduct, Scouting activities are not a place to possess, distribute, transport, consume, or use any of the following items prohibited by law or in violation of any Scouting rules, regulations, and policies: alcoholic beverages or controlled substances, including marijuana.

In addition, the Code of Conduct specifies that if you are taking prescription medications with the potential of impairing any functioning or judgment, you will not engage in activities that would put youth at risk, including driving or operating equipment.

Meal time

Prior to each meal, campers assemble at the dining hall with seating arranged by campsite. A rest period follows lunch. Field Dress (Class A) Uniforms should be worn for all evening meals

Dining Hall

Meals are served in our indoor, air-conditioned facilities. The dining hall is set up to serve the number needed for each meal period. The maximum number allowed by the Fire Code will determine the number of tables and chairs allowed for each meal period.

Procedure:

- Each table will appoint 1 clean-up monitor team per meal (1 Scout & 1 Adult.)
- The table you sit at during your first meal will remain your table throughout camp.
- At serving time, Scouts will enter Dining Hall and take a seat at their assigned tables.
- After everyone has been seated, announcements will be made, and grace will be said.
- After grace, the Dining Hall will be dismissed to line up for serving.
- Scouts will be allowed to refuse items and adults will be able to request additional portions as they walk through the line.
- Scout leaders will be asked to serve as monitors of the serving line. This monitor (Scout leader) will ensure that the Scouts are being served properly by the staff. Approximately 15 minutes prior to the end of the meal period, everyone will be encouraged to participate in a program (song or skit).
- Following the program, everyone will be dismissed except the table monitors.
- At this time the clean-up window will open, and monitors may return trays and clean tables.
- Please do not take any items to the clean-up window until the window has been opened after the program.
- Please DO NOT wear hats in the Dining Hall (unless for religious observance)

If you have special dietary needs, please inform us so that the appropriate provisions can be made prior to your arrival at camp.

Allergies are a growing concern in our society these days. To provide Scouts that have allergies with a good summer camp experience, we encourage those with allergies to consider bringing your own food.

We will help store and assist you in preparing you food if you bring your own food. If you have questions or concerns, please contact the Kitchen Director @ cynthia.sentell@sumnerschools.org.

Camp Security

An important aspect of youth protection at camp is controlling visitors in the camp. Scout uniforms are powerful validation symbols making anyone wearing one seem to be in the right place at a Scout camp. Unfortunately, almost anyone can obtain a uniform, whether or not they are registered members of Scouting.

Everyone in attendance at the camp must wear identification that signifies legitimate participation in the camping program. Wristbands, will be Boxwell's method. The importance of wearing this identification will be stressed when the unit checks in. It is not necessary to explain the youth protection aspect of this identification beyond its signifying a properly registered participant in the camp program.

All visitors to the camp must stop at the camp office and sign in. A guest book for this purpose will be maintained and positive identification required. A special visitor name tag will be given that will easily identify the person as a legitimate visitor. Upon conclusion of their visit, guests will sign out so that camp administrators will know who is on camp property at all times. Any time a person is spotted in camp without either a visitor's nametag, or camp participant wristband, that person should be escorted to the office to sign in (and so staff personnel may determine why that person is on camp property).

Health and Safety

Boxwell Reservation takes the safety of each camper very seriously and pledges to see that they have a safe and enjoyable environment to pursue the great ideals of Scouting. No bicycles, scooters, skates, or skateboards are allowed in camp. Closed-toed shoes (NO CROCS) must be always worn especially when attending the BB and Archery Range. The campsites are not equipped with electricity. Should you require a medical device which depends on a power source, you should plan to bring a battery pack or a small quiet generator.

A safe and enjoyable experience has always been the focus of Scouting. The camping experience at Boxwell Reservation is no exception. In the event of an emergency, Boxwell has immediate response capability with a Wilson County Emergency Management team located only three (3) miles away. We also have Medical Personal on the site working out of the Health Lodge. They can be contacted by radio 24 hours a day. If needed, a medical doctor is on call 24 hours a day and makes weekly visits to camp. He is supported by the Highpoint Health – Sumner with Ascension Saint Thomas located only five (5) miles from Boxwell. This facility offers a full array of state-of-the-art medical services. Emergency transportation by ambulance is only a radio call away and we have the facilities to land an emergency helicopter if necessary. The Wilson County Sheriff's Department makes random checks of our facility and stands ready to assist in the event of an emergency. The Health & Safety Committee along with the Camping Committee desires to make our campers more aware of the concerns created by insects at Boxwell.

Swim Test Requirements (For Aquatic Activities)

The swim classification (swim test) of individuals participating in a Scouting America activity is a key element in Safe Swim Defense and Safety Afloat. These swim classification tests are a foundational unit of the Aquatics Continuum. All persons participating in Scouting America aquatics are classified according to swimming ability. The classification tests and test procedures have been developed and structured to demonstrate a skill level consistent with the individual's circumstances in the water.

Swim Classification (Swim Test) are renewed annually. Swim checks will be conducted at the pool on arrival day. All Scouts and guest (leaders, parents, siblings, guest) are designated as swimmers, beginners, or non-swimmers, based on standardized Scouting America swim classification tests:

- ☐ **Swimmer Test**

Jump feet first into water over the head in depth. Level off and swim 75 yards in a strong manner using one or more of the following strokes: sidestroke, breaststroke, trudgen, or crawl; then swim 25 yards using an easy resting backstroke. The 100 yards must be completed in one swim without stops and must include at least one sharp turn. After completing the swim, rest by floating.

- ☐ **Beginner Test**

Jump feet first into water over the head in depth, level off, and swim 25 feet on the surface. Stop, turn sharply, resume swimming and return to the starting place. Anyone who has not completed either the beginner or swimmer tests is classified as a **nonswimmer.**

- ☐ **Pre-Camp Swim Check**

If you have taken a pre-camp swim test, please use the unit swim form on the website and follow all the steps to ensure you are not having to retake the test. Individuals will still have an orientation from our Aquatics staff on arrival day, but they will not have the chance to swim that day. You will receive your Buddy Tags at the waterfront.

Please take a copy of the unit swim form and work with the Aquatic Director at the pool to record your Scouts' swim test this year to use outside of summer camp activities. Please keep a copy of your swim test form to use throughout the year—MTC does not keep copies of these forms. The Aquatic staff reserves the right to re-test any Scout or leader at any time if the Aquatics Director is concerned for the safety of any participant.

Cub Aquatics Center

We are excited to offer many paddle craft activities at the Pfeffer Cub Aquatic Center. To participate in activities at the Cub Aquatic Center all participants must Pass the Swim Test.
