

2024 Spring Camporee

“Rendezvous in the Canyon”

Information Booklet

Purpose:

This Camporee is designed to test and instruct Scouts BSA on fundamental scouting skills. This camping adventure will help prepare scouts for summer camp and provide an opportunity for them to participate in fellowship and inter-patrol competition.

Each participating Troop will receive a Camporee Participation Ribbon and Patch, see below. In addition, there will be 1st, 2nd, and 3rd place ribbons for each event, a ribbon for the Patrol who demonstrated the most Scout spirit throughout the competition, and an award for the overall winner.

Webelos Dens may attend only with the invitation of a Troop and they will only observe the events on Saturday. There will be no events for them to participate in and they will not receive the event patch. The Den may camp overnight with the Troop. There is no charge for the Webelos Den for this Camporee except for lunch which is payable at the event for \$5.00 per person.

In addition, each judge will be watching each Patrol and will be asked at the end of the event which Patrol showed the most Scout spirit. The Patrol with the most Scout spirit will receive the Scout spirit ribbon at the awards ceremony.

Uniform:

Each Scout is strongly encouraged to wear his/her Field uniform (Class A) during the day on Saturday but can also wear his/her Activity uniform (Class B, i.e. Troop T-shirt or Camporee T-shirt). We encourage each Scout to wear the Field Uniform at the closing awards ceremony on Sunday.

Check-in:

Scouts BSA Troop Check-in will begin at 7 PM on Friday, April 12th. All vehicles will park in the main parking area at camp and one leader will proceed to the Administration building to check in. Each unit will be given two passes to drive their vehicles in to the campsite areas. Only two vehicles per unit will be allowed to proceed through the gate. This will enable us to maintain a safe and secure camp.

Campsites:

Due to the large number of Scouts and Scouters attending the Camporee, there may be more than one Troop placed in a campsite. IT IS IMPORTANT that everyone be aware of this campsite situation and be prepared to cooperate with us by condensing your Troop camping area as much as possible so that other Troops may also share the assigned campsite with you. The Camp Shower house and Latrines will be available for your use. We expect you to control their use and maintain their cleanliness. Any damage or abuse will result in them being closed.

All reservations are on a first come-first serve basis when you register your unit! Ranger reserves the right to move units before your arrival so be sure to verify which campsite you will be in!

Fires and Cooking:

Except for Saturday lunch, Scouts BSA Troops will be responsible for their meals. We anticipate a fire ban but we will advise all units if this situation changes. Propane stoves are allowed to be used. Other than Saturday lunch, you are expected to plan your meals, purchase all your items, and cook your meals. Use this opportunity to help your Scouts earn the Cooking Merit Badge. Ice will be available in the Ice Machine located behind the Dining Hall.

Water:

Water will be on and available in all campsites and throughout the camp.

Saturday Night Events:

There will be a Campfire Saturday evening at approximately 8:30 PM. Each Troop is encouraged to participate in the Campfire with a skit or song. Please let the registration team know at check-in on Friday if your Troop will be performing a skit or song at the Campfire and if you will be leaving after the event. Troops leaving after the Campfire should break camp before going. This event should be over by approximately 9:30 PM.

Awards Ceremony and Church Service:

The awards ceremony will take place immediately following the Sunday Church Service. The Service will begin at 9:00 AM and the awards ceremony will commence immediately afterwards. We expect the award presentation to be over by 10:30 AM. The Church Service and Awards Ceremony will take place at the Ceremonial Ring.

Scouts BSA Troop Leadership Requirements:

All Troops are required to have two registered adult leaders at all times.

Trading Post:

The Camp Don Harrington Trading Post will be open. We encourage everyone to visit the Trading Post during his or her stay. Candy, Drinks, Snacks, and Scouting items will be in abundance.

Medical Release:

We highly encourage that each Leader have a copy of all participant's (Scout and Leader) Medical Form at the Camporee in case of any unexpected emergency. The official medical form can be found at <http://goldenspread.org/Forms/Health%20%20Medical%20Record.pdf> Part A, B and C are required to be completed. We will not collect these forms at registration- it's your responsibility to have them available. We will have an on-site medical professional during the camporee.

Rules:

- 1) Each Patrol member will participate in this event.
- 2) The Patrol will have 5 minutes to lift four logs off the ground.
- 3) A Patrol member may participate in more than one group of that Patrol only if all other Patrol members have participated.
- 4) The Judge will announce the start and begin time keeping.
- 5) When time starts, a Patrol member in the first group will throw a rope over a cross pole at least 6 feet off the ground.
- 6) Once the rope leaves the hand of the Patrol member throwing the rope, the other Patrol member in the first group will race to the log and tie a Timber Hitch around it then raise it off the ground.
- 7) The Patrol member who threw the rope must then secure the rope to a stake using a clove hitch.
- 8) Once the clove hitch is in place, the Patrol member lifting the log will then lower it and race back to the starting line and tag a Patrol member in the second group.
- 9) The second group cannot start until the log of the first group is suspended and they have been tagged.
- 10) A Patrol member in the second group will then throw a second rope over the cross pole.
- 11) Once the rope leaves the hand of the Patrol member throwing the rope, the other member in the second group will race over and tie a Timber Hitch around the second log then raise it off the ground.
- 12) Once the second rope is secured with a clove hitch, the Patrol member lifting the second log will lower it and race back to the starting line and tag a Patrol member in the third group.
- 13) This process will be repeated until all four logs are suspended.
- 14) All four logs must be suspended off the ground.
- 15) If a log is touching the ground, the Patrol does not have to re-throw the rope over the cross pole but must attempt to reposition the log and re-secure the rope so that it is off the ground (time will not stop during repositioning/re-securing).
- 16) Time stops when the Patrol member lifting the fourth log crosses the starting line and the four logs are suspended or the 5-minute time expires.
- 17) When time stops, no further attempts of throwing a rope, securing it around the log, or securing the rope to a stake will be allowed.

Scoring system:

- 1) Maximum time is 5 minutes.
- 2) 30 points for each correctly tied timber hitch.
- 3) 30 points for each correctly tied clove hitch.
- 4) 5 bonus points if the Patrol has a Patrol flag.
- 5) Time to points conversion will use the 5-second graduated scale and recorded on the judge's sheet.
- 6) Hitch scores, time score, and bonus points will be used to calculate subtotal score.
- 7) Subtotal score will be recorded in the "Event Score" section on the Patrol's scorecard and on the Judge's sheet.
