  - Have a fantastic time camping under the stars
  - And above all, **HAVE A BLAST!**
-

## What's the Plan?

You're not alone out here! Older Scouts and Camp Staff will be nearby to help set up camp and keep everything running smoothly. Think of them as your adventure sidekicks!

We'll team up Scouts into patrols of about 8–10 buddies (usually from the same Pack), so you can tackle the fun stuff together — BB guns, archery, crafts, hiking, fishing, and more.

And don't forget the BIG scavenger hunt - keep your eyes peeled all day Saturday for hidden treasures!

---

## Check-In Time!

Check in starts at 11:00 AM. A friendly Scouts BSA leader will meet you, help get your Scouts to camp, and show you where to park.

Once you're checked in, it's time to set up camp and get ready to explore!

**Pro Tip: Bring a packed lunch for Saturday — there's refrigeration if you need it!**

---

## Heads Up!

- You'll get your campsite info, maps, and schedule at check-in.
  - If your Scout needs special medical care or has any dietary or physical needs, let us know ahead of time so we can help.
  - Electronics? Yes! But please follow your Pack's rules and remember to earn that Cyber Chip before camp. Phone charging is in the dining hall only — no charging in bathrooms.
  - Don't forget medical forms for every Scout and adult (Parts A & B only). Grab them here: [Medical Form PDF](#)
-

### Bring your adventure gear:

  - Toiletries (showers at camp)
  - Weather appropriate clothes (we camp rain or shine)
  - Water Bottle
  - Fishing Tackle
  - Sunscreen/Hat
  - Saturday Lunch
  - Bug Repellent
  - Please leave pets at home
  - Any medications needed
  - Snacks in sealed containers
  - Plastic bags for dirty clothes, extra socks & shoes
- 

## Who's In Charge?

Parents or guardians are the superheroes in charge of their Scouts. Can't be there?

Arrange for another grown-up (not a den leader) to take over.

No one should watch more than one Scout besides their own — safety first!

## Camp Rules — Keep It Cool

- Live by the Scout Oath and Law (because you're awesome!)
- Stick with your patrol and use the buddy system
- Adults watch the Scouts at all times
- Respect others' stuff — hands off!
- Follow Leave No Trace — keep nature happy
- No vehicles or fires on the ground
- No axes or hatchets for Cubs; saw blades must be safe
- No weapons or fireworks allowed
- Electronics with headphones only, no pictures near bathrooms, and charge phones only in the dining hall
- Most important rule: **Have fun and make great memories!**

---

## What's a Cracker Barrel?

Think of it as a cozy evening snack party! Simple treats like popcorn, cheese & crackers, and cookies — perfect for chatting and chilling after a busy day outdoors.

It's a great time to connect and share laughs!

---

## Camp Jokes to Keep You Smiling 😊

**Q:** Why don't Scouting bears ever get lost?

**A:** Because they always follow the "bear-ings!" 🐻 🗺️

**Q:** What do you call a Scout who can fix anything?

**A:** A "handy-camper!" 🛠️ 🏕️

**Q:** Why did the Scout bring a pencil to camp?

**A:** In case he wanted to draw some "camp-fire" art! 🖍️ 🔥

**Q:** What do you get if you cross a camping trip with a detective?

**A:** A "trail" of clues! 🕵️ 🌲

## And now... a little campfire poem to warm your heart 🔥

### The Cub Scout Campout Poem

Under stars so bright and clear,  
We camp with friends we hold so dear.  
With tents pitched tall and fires aglow,  
Adventure waits wherever we go.

We hike, we play, we laugh, we cheer,  
Making memories year to year.  
With every flag raised up on high,  
We reach for dreams that touch the sky.

So pack your gear and bring your smile,  
We'll make this campout worth your while.  
Together as a Scouting team,  
We're living out our wildest dream!

---

## **We Can't Wait to See You!**

Prepare for a weekend full of laughter, learning, making new friends, and adventure. Pack your gear, bring your smile, and get ready to make memories that last a lifetime with the Golden Spread Council!
