

Horse Design Contest & Project

We are in search of a registered Golden Spread Council Scout with artistic ability to repaint our horse "Scout" at the Service Center. If you would like to be considered for this project, please submit your design to Heidi at the Service Center or via email at heidi.anuszkiewicz@scouting.org along with the artists name, unit number and contact info. Designs must be submitted by November 6th and the project will need to be complete between November 14th and 30th. Paint will be provided for the project.

We look forward to seeing your artistic Scout themed designs!
