NEED A TENT?

OR 28....

The National Jamboree Contingent is purchasing 28 dome-style tents ([Alps Mountaineering – Cavern Outfitter, 4-person](#)), and we're seeking tent sponsorships to help make this possible.

How You Can Help:

Sponsor a tent for just **\$205** – that's a fraction of the \$349.99 MSRP! Price includes a ground cloth.

Anyone – individuals, families, or units – can sponsor as many tents as they'd like. After the Jamboree, the gently used tents will be distributed in August 2026 and can be used by units to replace worn equipment or by individuals for future Scouting adventures.
