Jamboree is more than a destination. It's the adventure of lifetime. And there is simply nothing else like it on the planet.

What's a national Scouting event without patches and extra bling?

Every registered contingent member paying the council contingent fee will receive a number of items free as part of their registration fee. We need to know what size T-shirt to order for you.

Everyone needs to go through the registration process so we can capture your T-shirt size, even if you are not going to purchase any additional items.

Hurry up though!!

This on-line purchase page is only active through midnight March 31, 2023.

You can visit and order from this site as many times as you wish until it closes. That way you can order extra items as you think of them.

The real pages will not have the word “draft” or “test” on any of the buttons.

To boldly go forward, click on the Register button.

Don't be confused by the use of the words “Register” or “Registration” on these pages. This has nothing to do with your actual contingent registration for the Jamboree and only pertains to buying extra hats, shirts, neckerchiefs, and patches through this site.

You have to select at least 1 under one of the groups or you will not be able to see the actual order page(s).

There will be as many order pages as numbers you select.

Once you have selected a number under one or more of the different groups, click on the button way down here.

Any fields on these pages that have a BOLD RED header are mandatory and the system will not let you proceed through the checkout process until you fill out all the mandatory fields.

We do need all this information in case we have to contact you and to make sure you get what you order.

The screenshot displays a web application interface. A modal window titled "Change Information for Registration Contact" is centered on the screen. The modal contains four input fields, each with a bold red header indicating a mandatory field: "First Name", "Last Name", "Primary Contact Email", and "Cell Phone". The "Cell Phone" field has a pre-filled value "999.999.9999". A "Done" button is located at the bottom right of the modal. In the background, a list of troops is visible, including "1 SM Pinales Troop", "2 SM McGregor Troop", "1 SM Epstein Troop", and "1 Jamboree Staff". Each troop entry has an "Update Information" button. A "Missing Information" warning icon is also present in the background.

This is what it looks like when you don't log in. If you do log in, this information will be filled out for you.

When you have filled out everything, click on the Done button.

Contingent members can enter a drawing for the chance to buy one of the Jambo tents you will use for \$20 after Jamboree. See Next Slide for Tent description.

You can order up to 50 of each item. If you need more, you will need to do a separate order form.

We have a fixed size campsite.

To make sure all tents fit:

- Leaders are 1/Tent
- Chaperones and Youth are 2/Tent

Features:

- Heavy duty Zippers and Floors
- 2 Doors, each with window
- Lots of ventilation
- 2 Cots easily fit with plenty of room down the middle
- Center Gear Hammock
- Side pockets for eyeglasses, flashlights, etc

Specs:

- Floor is 9'0" x 9'6"
- Center Height is 72"

Make sure you select the correct size if you are ordering more T-shirts. You probably want the same size as your free T-shirt.

You can mix and match any extra items you want to buy. Maybe Mom and Dad want T-shirts to show their support for you and your Troop.
