

# MAY 3RD IS SCOUTS TRASH THE TRASH DAY!

## Scouts working together can change the world!

Troop 1206 started **Scouts Trash the Trash Day** with the idea that if every Scout around the world collected at least 2.2 pounds of trash, we could remove **60 million pounds of trash** from the world's ecosystems! YOU and your friends or family members can be a part of this worldwide Scouting event on **May 3rd!**

Be one of the first to earn Scouting America's **NEW Scouting for Clean Waterways patch** by participating in this nationwide initiative aimed at addressing the critical issue of waterway and marine debris, "aquatic trash," offering Scouts the opportunity to make a meaningful impact on the health of our waterways and ecosystems. And you can help with the **UN's Sustainable Development Goals: 6, 11, 12, 14 and 15!**

Thank you to our sponsors, **H-E-B, ThunderCloud Subs,** and **Waste Connections of Texas!**

Earn these awards:
