

Colorado River District Cub-o-ree

October 9-11, 2026

Location:

Lost Pines Scout Reservation – Camp Tom Wooten Cub Scout Camp
785 FM1441, Bastrop

How to find the camp:

After turning into Lost Pines Scout Reservation (past the gate), you will take your first LEFT and drive towards Camp Tom Wooten.

Drive 1 mile and over 2 bridges to get to Camp Town Wooten. Park in the main parking area and proceed to the red dining hall building for registration.

Please note you are driving through an active BSA Camp on your way with Scouts and wildlife. The MAX speed limit is 10 mph.

When to arrive:

Check-in for campers will be from 5:00PM to 7:00PM on Friday evening.

Check-in for Saturday only activities or Saturday evening campers will be from 8:30-9:00AM on Saturday. Late arrival should be arranged with Pack leaders.

Paperwork:

ALL OVERNIGHT PARTICIPANTS (scouts, parents, siblings, etc.) must have [medical A/B forms completed](#) and turned in at the time of registration. Forms may be returned at the end of camp, but it is suggested to make your own copies to have for future events. Check with your unit if you have a current medical form on file.

If you have taken Safeguarding Youth Training, bring a printout of the certificate. SYT is not currently required for parents/legal guardians, but HIGHLY Encouraged. SYT is required for any nonparent/legal guardian taking scout camping (grandparent, uncle, etc.). To take Safeguarding Youth training go to [My.Scouting.org](https://my.scouting.org) and create an account. You'll receive an email notification with your account information, including a member ID/reference number.

Cost and Pre-Registration

Register by October 5th with the QR Code. **Cost:** \$5/person with no meals included.
\$10/person with Saturday sack lunch included

Food:

An optional sack lunch for Saturday can be included with registration. All other meals will be arranged with your pack.

Store food in cars, not tents! Leaving food out will attract animals.

What to bring:

See attached camping checklist – you do not need “all the bells and whistles” for your first time out camping. Start simple – a tent, a sleeping bag, sleeping pad, and warm clothes to sleep in. Work up to other equipment as you get more experience camping.

Feel free to bring fishing poles, balls, and other personal recreation equipment. However, we will have a full schedule of activities on Saturday and may not have much extra time for additional activities.

Bring a refillable water bottle for each person. There are spickets around camp to refill bottles.

Everyone MUST wear close-toed shoes at all times while at camp (including to/from bathrooms). Scouts (and leaders) are encouraged to wear their Class B shirt on Saturday.

Safety

Registered Scouts and their families may camp overnight with their Pack. Non-registered youth and their families may camp with prior permission and invitation from a district Pack.

No pets, alcohol, or tobacco (including smokeless products) are allowed on the campgrounds at any time.

All youth need to have a parent or guardian present on the campgrounds at all times. Parents cannot leave their children at the campgrounds without prior scout leadership approval. Scouts should follow the ‘buddy system’ while at camp.

Two deep leadership is always followed at Scouting activities. At least two adults will accompany each group of scouts participating in activities Saturday. No adult (leader or parent) can take a youth participant that is not their child anywhere without the presence of another adult / leader.

Pack leadership will define the boundaries of the Pack campsites. All youth should remain within those boundaries unless given permission to leave and following the buddy system, with their parents or with appropriate leadership. Only scouts and families assigned to camp in a particular campsite may be in at that campsite during the weekend.

Youth participants cannot sleep in a tent with an adult who is not their parent or guardian. Don’t go into a tent that is not yours at any time.

Leave No Trace

As Scouts, we show our respect for nature by leaving every campsite and spaces better than we found it. Pack out all trash, stay on marked trails, protect plants and wildlife, and keep noise low so everyone can enjoy the outdoors. Remember—everything you do should help preserve the woods, water, and wildlife for the next group to explore and enjoy.

Cub-o-ree Activites

All youth will be assigned a traveling den group to participate in all daytime activities with. Parents are expected to travel with the group, and youth are expected to stay with their group. Saturday activities will include archery, BB guns (for Tigers (1st grade) and older), slingshot, crafts, games, a hike, and water activities. In the event of inclement weather, some activities can be moved indoors.

All dens are encouraged to have a skit prepared for our campfire program on Saturday evening.
