2023 Summer Camp - Camp Constantin: Week 1 at Camp Constantin/Jack D. Furst Aquatic Base

Constantin Summer Camp (Scheduled Classes)

CON58	10-11:55 AM		Advanced Sailing For those that have completed the Small-Boat Sailing merit badge, new challenges await. We have larger boats for the advanced sailing students. We have 2 16' sloops plus a 14'. These are great boats for our lake. Keep in mind this is not a merit badge, but you sign up for it as if it were. Minimum Age: 14 Maximum number of participants: 8 Prerequisites: Must pass swim test. This is a 2-hour class from 10-12.
CON1	9-9:55 AM		Animation This class offers computer or traditional animation tasks that will test a Scout's creativity, artistic skills, and storytelling abilities. Maximum number of participants: 20
CON1	10-10:55 AM		Animation This class offers computer or traditional animation tasks that will test a Scout's creativity, artistic skills, and storytelling abilities. Maximum number of participants: 20
CON1	2-2:55 PM		Animation This class offers computer or traditional animation tasks that will test a Scout's creativity, artistic skills, and storytelling abilities. Maximum number of participants: 20
CON2	9-9:55 AM		Archery Archery is a fun way for Scouts to exercise minds as well as bodies, developing a steady hand, a good eye, and a disciplined mind. This merit badge can provide a thorough introduction to those who are new to the bow and arrow - but even for the experienced archer, earning the badge can help to increase the understanding and appreciation of archery. Additional Fee: \$5.00 Minimum Age: 11 Maximum number of participants: 16

CON8 10-10:55 AM
Nature
Dean Ward

Astronomy

In learning about astronomy, Scouts study how activities in space affect our own planet and bear witness to the wonders of the night sky: the nebulae, or giant clouds of gas and dust where new stars are born; old stars dying and exploding; meteor showers and shooting stars; the moon, planets, and a dazzling array of stars.

Minimum Age: 14

Maximum number of participants: 15

Prerequisites: Requires 1 late night session

NOTE: Requires one late night session

CON4 9-9:55 AM
Industrial Arts
Matthew Futrell

Automotive Maintenance, Farm Mechanics

Modern automobiles are important to many aspects of American life. Those who service automobiles must understand each principle, and how these principles interact to provide smooth, efficient performance. Owners of cars also benefit by understanding how their vehicles operate. This enables them to understand why certain periodic maintenance is required to keep their vehicles in tip-top shape.

From the mattock and hoe to the horse and mule, the cotton gin and reaper, the tractor and air seeder - this is the story of farm equipment. Today, most farms are mechanized and farmers can do most of their own maintenance work and make the adjustments needed on their many intricate farm implements.

Maximum number of participants: 12

Prerequisites: Dual Merit Badge

CON5 9-10:55 AM
 Scoutcraft
 James Hart

Backpacking, Hiking

Earning the Backpacking merit badge will be demanding but rewarding. Scouts will learn what equipment to carry on their backs and what knowledge to have in their heads. In addition, Scouts will discover how to protect the environment by traveling and camping without leaving a trace. By mastering the basics of backpacking, Scouts will develop an even deeper respect for the outdoors.

Hiking is a terrific way to keep your body and mind in top shape, both now and for a lifetime. Walking packs power into your legs and makes your heart and lungs healthy and strong. Exploring the outdoors challenges you with discoveries and new ideas. Your senses will improve as you use your eyes and ears to gather information along the way.

Minimum Age: 12

Maximum number of participants: 20

Prerequisites: Dual Merit Badge. Bring your pack and good hiking shoes or boots. Hikes every morning. Hikes leave at Breakfast Tues.-Friday.

CON79 9-9:55 AM
 Handicraft
 Daisy Brockman

Basketry

Basketry is a handy skill for a Scout. A basket can be a sturdy companion on campouts, carrying clothes snugly and efficiently, holding potatoes and corn for roasting over a campfire, or carrying the day's fishing catch back to camp for dinner. Baskets and basket-weaving projects also make great gifts for family and friends.

Additional Fee: \$10.00

Maximum number of participants: 20

Camping
 Camping is one of the best-known methods of the Scouting movement. When he founded the Scouting movement in the early 1900s, Robert Baden-Powell encouraged every Scout to learn the art of living out-of-doors. He believed a young person able to take care of themselves while camping would have the confidence to meet life's other challenges, too.
Minimum Age: 12
Maximum number of participants: 12
Prerequisites: Recommended for 2nd year campers. 2nd Class rank and age 12 .
 Partial MB. Requirement 9 competed outside of camp.
NOTE: Partial MB. Requirement 8d and 9a & b completed outside of camp.

CON11 10-10:55 AM
 STEM
 Sean Hakes

Chemistry, Nuclear Science

Chemistry explores how substances react with each other, how they change, how certain forces connect molecules, and how molecules are made. Stretch your imagination to envision molecules that cannot be seen - but can be proven to exist - and you become a chemist.

Nuclear science gives us a simple explanation of the natural world. The ultimate goal of nuclear science is to find out if there is one fundamental rule that explains how matter and forces interact. Earning the Nuclear Science merit badge is a chance for Scouts to learn about this exciting field at the cutting edge of science today.

Maximum number of participants: 20

Prerequisites: Dual Merit Badge

Citizenship in the Community

A nation is a patchwork of communities that differ from each other and may be governed differently. But regardless of how local communities differ, they all have one point in common: In the United States, local government means self-government. Good citizens help to make decisions about their community through their elected local officials.

First Year Camper (Brazos Buccaneers)

This is a 3-hour class that we offer from 9:00 a.m. to 12:00 p.m. We designed this program for the Scouts in their first six months with a Scout BSA troop. They will spend their time focused on basic Scouting skills and having FUN!!!

We know that many youth and parents expect summer camp to be an opportunity to earn merit badges. Consequently, these Scouts enrolled in the First Year Camper program have an opportunity to sign up for two (2) merit badges in the afternoon. We strongly recommend enrolling them in a selection from the following list:

Basketry and Leatherwork (Combo Class), Indian Lore, Art, Sculpture, Woodcarving, Mammal Study and Nature (Combo Class), Swimming*

Maximum number of participants: 80

Prerequisites: If your Scouts would like to register for this program, simply select First Year Camper (Brazos Buccaneers) from the menu and then the two merit badges they would like to take in the subsequent spots. As always, we will not sign-off any requirements for rank advancement as a part of this program. The signing-off of requirements remains the responsibility of the Scoutmaster or their designee. All we will do is provide instruction in those requirements.

NOTE: 3 hour class, 9-12.

Geocaching, Orienteering

Earn two merit badges in one class.

The word geocache is a combination of "geo," which means "earth," and "cache," which means "a hiding place." Geocaching describes a hiding place on planet Earth - a hiding place you can find using a GPS unit. A GPS (Global Positioning System) unit is an electronic tool that shows you where to go based on information it gets from satellites in space.

Orienteering, the use of map and compass to find locations and plan a journey, has been a vital skill for humans for thousands of years. Orienteering is also a recognized sport at the Olympic Games, and thousands of people participate in the sport each year in local clubs and competitions.

Maximum number of participants: 15

Mammal Study, Nature

A mammal may weigh as little as 1/12 ounce, as do some shrews, or as much as 150 tons, like the blue whale. It may spring, waddle, swim, or even fly. But if it has milk for its young, has hair of some kind, is relatively intelligent, and has warm blood, then it is a mammal.

There is a very close connection between the soil, the plants, and all animal life, including people. Understanding this connection, and the impact we have upon it, is important to preserving the wilderness, as well as to our own well-being as members of the web of nature.

Maximum number of participants: 20

Prerequisites: dual Merit Badge

Moviemaking, Photography

Moviemaking includes the fundamentals of producing motion pictures, including the use of effective light, accurate focus, careful composition (or arrangement), and appropriate camera movement to tell stories. In earning the badge, Scouts will also learn to develop a story and describe other pre- and post-production processes necessary for making a quality motion picture.

Beyond capturing family memories, photography offers a chance to be creative. Many photographers use photography to express their creativity, using lighting, composition, depth, color, and content to make their photographs into more than snapshots. Good photographs tell us about a person, a news event, a product, a place, a scientific breakthrough, an endangered animal, or a time in history.

Maximum number of participants: 20

Prerequisites: Dual Merit Badge. Bring a digital camera or a phone with camera. "GoPro" is acceptable.

NOTE: Requires a camera (phone will do), and a current, up-to-date Cyber Chip

Outpost Adventure

Spend meal time away from the dining hall. Enjoy Hunt Brothers pizza for lunch. Hang out and listen to music with friends and other Scouts. During this time the older Scout who attends will have the opportunity to enjoy older Scout activities. This is a 2hr long session and takes place at our outpost site on camp. The Scouts will meet at the waterfront and be transported by boat. All must be swimmers, at least first class and 15 years old.

Additional Fee: \$15.00

Minimum Age: 15

Minimum number of participants: 2

Maximum number of participants: 5

Prerequisites: Must be a swimmer. Must be at least First class rank and be at least 15 years of age.

CON34 9-9:55 AM

Eagle's Landing
Jack Rotenberry

Personal Fitness, Personal Management

Personal fitness is an individual effort to be the best one can be. Regardless of their current levels of personal fitness, by the end of the week, Scouts will be better educated about what it means to be healthy and how to maintain one's personal health. Further, in the twelve weeks it will take to complete the athletic requirements for this merit badge, Scouts will be in better shape, feel better about themselves, have more energy, and gain self-confidence in their overall abilities.

Personal management is all about creating realistic short-range and long-range goals for your money and investigating different ways to reach those goals. Education, training, and experience all help make your goals become a reality. To achieve your goals, you will choose the best path and make a commitment to it, while remaining flexible enough to deal with changes and new opportunities. This summer, Scouts will learn all about how to set these financial goals and how to achieve them.

Minimum Age: 13

Maximum number of participants: 12

Prerequisites: Dual Merit Badge, partial on both

CON37 11-11:55 AM

Scoutcraft
James Hart

Pioneering

Pioneering teaches the knowledge of ropes, knots, and splices along with the ability to build rustic structures by lashing together poles and spars and is among the oldest of Scouting's skills. Practicing rope use and completing projects with lashings also allow Scouts to connect with past generations, ancestors who used many of these skills as they sailed the open seas and lived in America's forests and prairies.

Maximum number of participants: 18

Reptile and Amphibian Study

Youth always have been interested in snakes, turtles, lizards, and alligators, as well as frogs and salamanders. Developing knowledge about these captivating creatures leads to an appreciation for all native wildlife; understanding the life cycle of a reptile or amphibian and keeping one as a pet can be a good introduction to natural history; and knowing about venomous species can help Scouts to be prepared to help in case of an emergency.

Maximum number of participants: 20

Rifle Shooting (Option A - Modern Cartridge)

Unless a rifle is handled incorrectly or recklessly, it is not dangerous. A rifle, like any other precision instrument, is manufactured to perform a specific task and can do so at no risk to the user or others. By earning this badge, Scouts can develop their shooting skills while learning safe practices.

Additional Fee: \$10.00

Minimum Age: 12

Maximum number of participants: 16

NOTE: 2 hour class. Requires time on Friday

Search and Rescue

This Merit Badge reviews the process and safety methods of working around specialized teams such as aircraft, canine, and aquatic rescue. It also discusses how to identify differences between search and rescue environments, such as coastal, wilderness, rural, and urban landscapes. We show how to determine when Universal Transverse Mercator (UTM) and latitude and longitude (Lat/Lon) should be used.

Space Exploration

Space is mysterious. We explore space for many reasons, not least because we don't know what is out there, it is vast, and humans are full of curiosity. Each time we send explorers into space, we learn something we didn't know before. We discover a little more of what is there.

Additional Fee: \$10.00

Minimum Age: 12

Water Odyssey Adventure

The Water Odyssey is a series of aquatics-based activities from paddle craft to sailing to water sports available for the older Scouts attending camp. This will allow these Scouts to take merit badge classes in the morning and enjoy afternoons on beautiful Possum Kingdom Lake. The Odyssey includes an over-night for those who want to boat out and camp.

Additional Fee: \$25.00

Paddle Craft Safety (PCS)

PCS - Open to all adults. Knowledge of canoeing is helpful, but not required. All participants must have the swimmers tag, Safe Swim Defense, and Safety Afloat training (on-line). Paddle Craft Safety expands Safety Afloat training to include skills, as well as knowledge, needed for a unit leader to confidently supervise canoeing or kayaking excursions on flat water.

Canoe Instructor - Open to all adults. Provides training to become MB Counselor for Canoeing merit badge in your unit. Code S83

Additional Fee: \$5.00

Minimum Age: 15

Prerequisites: 2 hour class 1:00 to 3:00 PM daily. Must pass swim test prior to class.

NOTE: Begins at 1:00 pm

SCA1 9-4:40 PM
 Dining Hall
 Chris Wilt

Scoutmaster & Assistant Position Specific Training (SALT)

SALT - Open to all adult leaders. Required for Scouters who plan to register as Scoutmasters or Assistant Scoutmasters. This is position specific classroom training for Scoutmasters and Assistants and is part of the requirement to be considered "Trained". Code S24

Minimum Age: 18

Prerequisites: At Constantin: 1 day class on Wednesday. Meet in Training room, behind Upperdeck, in Dining Hall after breakfast.

SCA3 10-11:55 AM
 Aquatics

Swimming & Water Rescue (SWR)

SWR - Open to all adults. Knowledge of lifeguard skills is helpful, but not required. All participants must have the swimmers tag and Safe Swim Defense and Safety Afloat training (on-line). Swimming & Water Rescue expands the awareness instruction provided by Safe Swim Defense and includes information and skill to prevent, recognize, and respond to swimming emergencies during unit swimming activities. Council permits SWR holders to conduct swimmer classification testing. Code S82

Additional Fee: \$5.00

Minimum Age: 15

Prerequisites: 2 hour class from 10:00 AM to noon daily. Must pass swim test prior to class.
