

# CIRCLE TEN COUNCIL UNIVERSITY OF SCOUTING College of Commissioner Science Saturday, January 13, 2024 Region 10 Service Center 904 Abrams Rd., Richardson, TX 75081

The College of Commissioner Science helps commissioners stay current on unit service tools and techniques, National Commissioner Team syllabus updates, and best practices in serving our units, districts, and councils as commissioners. The goals of this event are to help commissioners expand their skills, as well as refresh their commitment and energy for commissioner service.

Be sure and sign up for the **Lunch and Learn Session**, with NST 8 Commissioner Elect, David Hamilton, speaking and answering questions. For those commissioners who are working toward their Bachelor or Master level degrees, the **Lunch and Learn** will count as your 7th course to complete your degree. After the last class of the day, we will have a short ceremony to provide certificates and other bling for those who have completed their degrees!

## Degrees and Learning Opportunities

- Commissioner Basic Training (D18-D20)
- Bachelor of Commissioner Science (BCS)
- Master of Commissioner Science (MCS)
- Doctorate of Commissioner Science (DCS)
- Continuing Education (CED)

**Cost is \$20 plus \$10 if you select Lunch Option**
