## ADVANCED LEADERSHIP TRAINING FOR YOUTH

### THE COURSE

National Youth Leadership Training (NYLT) is an exciting, action-packed six-day council-level program designed to provide Scouts in troops, crews, and ships with leadership skills and experience they can use in their home units and other situations demanding leadership of self and others. The course is designed for Scouts BSA members who are at least 13 years old, and for Venturers or Sea Scouts who are at least 13 years old and have completed eighth grade.

### WHAT YOU WILL DO AND LEARN AT NYLT

NYLT is filled with activities, presentations, challenges, discussions, and camping in a team and model unit environment. Participants learn and practice skills that are valuable at home, church, school, work, and the Scouting unit. Content is delivered in a troop and patrol outdoor setting with an emphasis on immediate application of learning in a fun environment. Interconnecting concepts and work processes are introduced early, built upon, and aided by the use of memory aids, which allows participants to understand and employ leadership skills much faster. These skills come alive during the week as the patrol goes on a Quest for the Meaning of Leadership.

### THE RESULTS

First of all, you will have a lot of fun at NYLT! Activities are built around the idea that Scouting is “a game with a purpose.” You will meet new friends that share your interest in Scouting and in becoming a stronger leader.

Participants report that NYLT helped them develop

- Better communication skills
- Greater ability to coordinate activities and program
- Increased understanding of the roles and skills of a leader

Do you want to grow as a leader and develop skills that are key to success in Scouts, at school and in your job? NYLT (National Youth Leadership Training) is offered three times throughout the year to provide youth leaders with an opportunity to develop their leadership skills through methods they are already familiar with from Scouting. There are two summer sessions and one session over winter break to meet the needs of active youth.

The course runs for six days and is held at one of Circle Ten's camps.
