2024 CAMP CONSTANTIN JACK D. FURST AQUATICS BASE

Welcome to Camp Constantin!

We are so excited to see and serve each and every Scout and Scouter who comes to Camp this summer. I firmly believe that long term summer camp is the highlight of every scout's year, and we are dedicated to delivering a premier program and camping experience.

This summer we are introducing the highly esteemed PK Games! Are you and your campsite up for the challenge? Compete in various heart-racing events throughout the week and vie for the glory that comes with claiming the most coveted gold medals. Competitions include best campsite, troop spirit, best table decoration, and many other events.

Also making its debut this summer is our brand-new Trek program and Paintball Range! Trek is crafted especially for our older Scouts; this program is set to redefine the adventure at Camp Constantin. Paintball is a new evening activity where Scouts will get to test out their marksmanship skills on a brand-new target patch which can be purchased in the trading post.

This guide contains important information about merit badges and the aforementioned programs, and more. On Sunday's we will share any changes made after this document's publication at the 7:00 p.m. leaders meeting. If you have any program questions in advance of camp, please contact us. Our contact information is on the next page.

Thank You,
Joshua Smith
Program Director

LEGACY OF SCOUT CAMPING AT POSSUM KINGDOM LAKE

Welcome to the Addendum to the Circle Ten Leader's Guide for Camp Constantin. This contains our camp specific details for leaders and parents. Before Circle Ten Council took possession of the nearly 400 acres on the north shore of Johnson's Bend of the Brazos River, Eugene Constantin owned this land. It was his dream to one day give this land that he loved to his son. In the 1940's his son, like many sons of that day, went off to war.

Like so many of those sons, he did not return. For many months, Mr. Constantin mourned his loss. He began to wonder what would happen to his beloved land. Mr. Constantin decided that if he couldn't leave it to his own son, then he would leave it to the sons and daughters of America. Camping began in 1946, and on 1 January 1947 he gave half of the property to the YMCA and the other half to Circle Ten Council, Boy Scouts of America.

To honor the man and the son who made this wonderful camp possible, Circle Ten Council named it Camp Constantin. Then, in the mid 1990's, Jack D. Furst, who grew up attending Camp Constantin (first as a camper and then a staff member), also gave back to the camp he loved. He was the driving force behind the construction of the Jack D. Furst Aquatic Base, which radically improved the waterfront opportunities for Scouts all over North Texas and Oklahoma. For **78 years**, Camp Constantin has been the "icon" of what Scout camp should be.

2024 NRA Program

The NRA program at Camp Constantin is designed to give you the certifications you need to open and run a rifle range where Scouts are shooting. BSA requires two certified persons too open a range. One person must have a current NRA Instructor certification and one person must have a current NRA Range Safety Officer (RSO) certification.

The NRA certification procedure is to take classes for the certification:

- The RSO certification class is a single 8-hour class which will be given on Monday
- The Rifle Instructor certification is made up of 3 classes
 - Basic Instructor Training (BITS) is a 6-hour class and is given on Tuesday
 - Basic Rifle is an 8 ½ hour class that starts on Tuesday evening and runs through Wednesday noon
 - Rifle Instructor is a 10-hour class starting at 1 o'clock Wednesday and runs 5 o'clock Thursday

2024 Circle Ten Summer Camps

Leader's Guide Constantin Section

The NRA classes are capped at 15 students. The RSO class is restricted to adults only. We do not restrict the rifle classes by age, but we will give adults priority for the class. Scouts that are 18 years or older can fill the open class seats and be certified as assistant instructors. The assistant instructor is however restricted from running an active firing line on the range. They cannot be counted as a Rifle Instructor to open a range but they do provide an additional set of eyes on the range for safety concerns. The cost of these classes is less than ½ price of that found elsewhere.

Costs:

- BITS is a free class IF YOU ARE TAKING THE RIFLE INSTRUCTOR PACKAGE otherwise it is **\$50.00**
- RSO is \$ 75.00
- Basic Rifle is \$ 50.00
- Rifle Instructor is \$ 75.00

FUN & GAMES

We love it when Scouts compete and have fun at camp. We have several opportunities for Scouts and troops to do just that. Here they are with some of the rules and how many you need to make a team.

Fat bat (whiffle ball)

Whiffle Ball teams can number between 1 and 10 players. To decide who bats and who fields, a coin should be tossed or some other way of deciding should be done such as a game of Rock, Paper, Scissors. Each batter faces three balls from the pitcher and must attempt to hit the ball into one of the scoring zones. Failure to hit the ball within these three pitches will result in the batter being out. Unlike baseball, there is no stealing bases, and movement between bases can only be done on a scoring shot. Hitting the ball into the single zone enables the player to advance one base, hitting into the double zone enables them to advance two bases, and a triple three bases. Hitting past the triple zone is a home run. Every player who makes it round the bases scores a run for the team. There are two ways to be out in Wiffle Ball. Being caught out or swinging and missing three times. An inning is up once all the batters have had their turn or if three are 'out'. It is then the opposition's turn for their innings. Each team shall have an agreed number of innings, usually 6, although another number can be agreed between two teams. Games may also be played in a set time limit, often 55 minutes. At the end of the game, the winner is the team with the most runs.

Soccer Tournament

7v7 Soccer Tournament. Games will be had throughout the week. Troops can enter up to 2 teams into the bracket. 15-minute games with no goalies. Standard soccer rules apply, with no slide tackling or excessive roughness.

PK Grand Olympiad:

The relay race is a troop relay race running through camp. Each troop will need one runner, one swimmer, two canoers. Four Scouts total.

Swimmers start in the swimmer's area of swim dock, swim four lengths of the swim dock, and then jump out and safely get up to tag the runner from their troop to go. The runner will be waiting at the Jack D. Furst sign at the Waterfront. The runner then runs up the main road of camp, around the gaga ball pit by the office, and back down the back road to the waterfront. The runner then tags the two canoeists back at the Jack D. Furst sign at the waterfront. The canoers run down to the canoes at the swim dock. The canoes will be moved ahead of time by the staff. They will jump in and canoe out and around the nearest channel marker buoy back into the cove past the boat dock to the Rowing and Canoeing Area (R&C). The first troop to make it to shore wins.

Sailing Regatta:

For the Sailing Regatta you will need two Scouts.

Scouts will be tasked to rig a sailboat (sunfish) and sail out to the nearest channel marker buoy, and then return to the starting point. The first team to return, drop sails, and pull the boat up on shore will win. This Challenge will be determined by the wind.

Raft Race:

For the Raft Race you will need four Scouts.

To build their raft, the Scouts will pick up from the waterfront at any point throughout the week before the race the following: four blue barrels, located on the side of the nautilus and four pieces of wood, also located on the side of the nautilus. The unit will need to provide rope. Rope is the only thing a unit can use to race in the raft race. Anything else that is used aside from rope will disqualify the unit from competing in the raft race.

The unit will be judged by Aquatic staff on appearance, stability, and the fastest rafting crew. The Raft crew will paddle with oars around the boat dock starting in the sailing area and ending in the R&C area. Only one Scout can have half their body out of the craft and in the water. Everyone else has to have all parts of them (minus feet) on the watercraft.

Please note that the unit must disassemble the craft before leaving the waterfront and return all materials back to where they were sourced. The unit must remove all rope and return it back to their campsite/trailer.
