

2024
Circle Ten Cuboree

Leaders Guide
March 22 - March 24

INTRODUCTION

Welcome to the 2024 Circle Ten Cuboree #1 at Camp Wisdom! Our theme this year is Whodunit. We will be learning about our local emergency services and building useful crafts. This guide is supposed to help alleviate some of the stress leaders might have for an event like Cuboree. We hope this will give you the resources you need to have a fun weekend.

WHERE: Camp Wisdom, [6400 W Red Bird Lane, Dallas, Texas, 75236](#)

WHEN: Friday, March 22nd, 2024, 6:30 pm through Sunday, March 24th, 2024 at 10:00 am

REGISTRATION

ONLINE REGISTRATION: Online registration is available on Black Pug

ROSTERS: Once you have registered, please bring your unit roster at check-in.

Packs will be required to clean their respective restrooms prior to moving out on Sunday morning. Removing trash that is on the floor and leaving it better than we found it. Please remove the trash bags from each bathroom and place them outside the restroom.

UPON ARRIVAL

CHECK IN: Units will arrive at camp Friday evening beginning at 6:30 pm. Please proceed to the Daffron Pavilion when you first arrive inside Camp Wisdom. Please ensure you have completed health forms, A and B. Council will not take them from you, but they will check.

UNIT CHECK-IN: Adult leaders will check in with the Camp Staff with their attending pack roster and get their camp site assignments. Adults may drive the Scouts and equipment to the camp sites to unload. Vehicles will then need to be removed as quickly as possible to the parking area. ALL vehicles must be out of the campsite area by 9:30 pm.

CAMP MAP: [Camp Wisdom Map](#)

PARKING: There is plenty of parking available for ALL vehicles and trailers. There is no parking at the campsites. If you have a special need, please let us know in advance.

MEALS: Packs/families are responsible for their own food and cooking equipment. Pack meals will be served in the Pack's campsite. A hotdog lunch will be provided on Saturday.

SETTING UP CAMP: We will be stressing the Pack camping during this Cuboree so the packs should be self-reliant. With that in mind, the Cub Leaders should take charge of the units as soon as equipment and scouts are unloaded. It will be up to your leaders and scouts to work together to set up in the space allowed. Please remember not to dig any large holes as a part of your camp set up.

We will be putting around 50 people into campsites so please make sure to plan accordingly. Do not bring more equipment than your unit needs and make sure to share the sites courteously.

ADULT LEADER MEETING: Once the equipment has been unloaded, adults are encouraged to join us at Daffron Pavilion for a leader meeting at 9:00 pm! We will go over the Event Schedule and answer any questions that volunteers might have for their assignment.

NOTEWORTHY INFORMATION

SWIMMING

No swimming at this time.

BE PREPARED

While there are fire rings in each camp site, please remember that your unit may be sharing with at least one other pack. You can use an above ground fire pit or charcoal grill for cooking and campfires you plan to have at your campsite.

TRADING POST

This will not be open during our event.

SEVERE WEATHER

Should severe weather hit the area during the week prior to the Cuboree, the Cuboree Chief will use the contact information from the Unit Registration sheet to communicate the status of the event to each Pack. Emergency shelters for severe weather during the campout will be the camp dining hall.

HYDRATION

Be Prepared, please bring your own cup or water bottle with a carabiner to carry with you on Saturday, there will be refill stations at each event location.

FLASHLIGHTS

Don't forget to bring a flashlight so you can explore the cave!

CAMPFIRE

We will have the Order of the Arrow host our Campfire Saturday evening. We want each Pack to prepare a song or skit for the evening so that we can all have a fun time! Please have a unit leader assist in the vetting of the songs or skits as well and turn them in at lunch time to the event chair.
