# 2024 Alien Eclipse Invasion Camporee

## Iron Horse District

Camporee will Eclipse all others! We are excited to share in this adventure! Please take the time to familiarize yourself and your adult leaders with the information contained in this packet.

Our staff has developed an exciting, competitive, and outstanding Camporee with a Campfire program, including an Order of the Arrow Ceremony and Call-out!

### Registration Fee:

All registration must be completed and paid by March 27, 2024 at \$25 per Scout and \$10/Scouter.

### **NO LATE REGISTRATIONS WILL BE ACCEPTED.**

### Membership/Participants

All participants of the Camporee must be registered members of the Boy Scouts of America. All Iron Horse units should attend this once-a-year camping event. The Troop must present a **roster printed from [myscouting.org](https://myscouting.org) and highlight the scouts and scouters that are in attendance at Camporee.** This allows us to verify that everyone in attendance is registered with BSA.

### Date and Arrival Time:

**Check-in and campsite assignments will begin at 7:00pm on Friday, April 5, 2024.** Please plan to attend Leader's Meeting for all Scoutmasters and SPL's at 9:45pm where any last-minute changes to the program schedule will be discussed. Tournament sign-ups will be at Leader's Meeting.

### Patches

Each registered Scout and Scouter will receive a patch after the event.

### Two-deep Leadership

All units attending the Camporee must comply with the BSA policy requiring that "two registered adult leaders or adult and a parent of a participating Scout, one of whom must be at least 21 years of age or older, are required for all trips and outings." For any female troops, atleast one of the leaders must be an over 21 years old female.

### Uniforms

Minimum uniform standards for Friday evening and Saturday through dinner will consist of long or short pants, a Scouting T-shirt and closed toe shoes. Field (Class "A") uniforms are the appropriate dress for the Saturday campfire program.

### Parking

All cars and trucks must be parked in the Parking Lot by Friday night, no exceptions. Unit trailers can be parked in the campsites and the towing vehicle may stay if it is attached. **No vehicles are allowed to drive around camp on Saturday.** Only properly marked Staff or Handicapped vehicles will be permitted in camp. Vehicle permits will be provided at check-in for those allowed to travel into the Camp.

## **Campsites**

Each Unit will be assigned a campsite adequate for the number of Scouts indicated on your Unit Registration form. Campsites may be shared with other units. Be reminded to have a First Aid Kit, Trash Bags, Patrol Duty Roster, Meal Planner, Unit Duty Roster and Consent to treat forms in your campsite.

## **Tents**

Units must furnish their own tents. The tent platforms may be used but do not hang hammocks from the platform frames.

## **Cooking and Sanitation**

Units are to provide all their own meals, ice, stove fuel, wood and/or charcoal. Meals will be cooked and eaten in the campsites. There is typically a single campfire ring in each campsite. Please plan to use the ring or a metal plate for your Dutch oven cooking. No ground fires outside the fire ring. Units are encouraged to use charcoal or stoves (liquid or propane). BSA rules for handling of liquid or gas fuels should be followed (Guide to Safe Scouting). Please use Leave no Trace principles when preparing and cleaning your meals.

## **Garbage**

We strive to make Camporee events Zero Waste. Plan ahead to minimize garbage. All trash should be bagged and placed in the large BLUE trash bins in the parking lot before you leave.

## **Latrines**

Please keep latrines in good shape and respect others. Latrines are spread throughout the camp. Latrines will be checked as part of the check-out procedure. Units camping near latrines are responsible for the cleaning.

## **Health/First Aid**

Units have the responsibility to bring and use their own first aid kits. We will have a medic available for major first aid problems and emergencies 24 hours per day. *The First Aid Station will be marked with a Red Cross Flag.* Please be sure to advise your patrol members of its location, to be announced at Friday's SM/SPL Meeting and the Saturday morning Flag ceremony. The First Aid Station is near the parking lot.

## **Health and Medical Record**

The Unit Leader must have a copy of the Annual Health and Medical Record, Parts A & B for each Scout participating in this Camporee. A copy of this form will be examined by our Health and Safety Officer at check-in. These forms must be kept onsite by the Troop during the Camporee. (Form can be found at the [scouting website](#)).

## **Check-out**

Final check-out for everyone is to begin at 9:00am Sunday. Camporee Evaluation forms must be completed and returned before you receive your patches and check-out packet. Be fair and honest in your opinions as they will have a bearing on future Camporees. All suggestions or improvement are greatly appreciated. Units camping near Latrines are responsible for cleaning them before checkout.
