Range and Target Activities

Slingshot:

Lion Scouts must have their adult partner with them while at the slingshot range. NOTE: When the word 'demonstrate' is used in a requirement, a simple demonstration made by the Cub Scout showing their understanding will serve as meeting that requirement. Where the word 'discover' is used in a requirement, explanation accompanied by visual aids will serve as meeting that requirement. When appropriate, some demonstrations/discussions can be held away from the firing line. Each Cub Scout should do their best based on their physical abilities.

Archery

As with all Scouting activities, Lion Scouts must have their adult partner with them while at the archery range.

NOTE: When the word 'demonstrate' is used in a requirement, a simple demonstration made by the Cub Scout showing their understanding will serve as meeting that requirement. When appropriate, some demonstrations/discussions can be held away from the firing line. Each Cub Scout should do their best based on their physical abilities.

Requirements for ALL ranks:

- 1) Identify and wear appropriate safety gear with the help of your adult partner.
- 2) Demonstrate the archery range safety rules and whistle commands with the help of your adult partner.
