2024 Campsgiving - Camp Constantin Leaders Guide

Dear Adult Leaders,

Welcome to the 3rd Annual Campsgiving at the Jack D. Furst Aquatic Base at Camp Constantin!!!

Circle Ten Council is very excited to be hosting an event so unique and whimsical we can't wait to start! This event is tailored to offer a FIVE STAR Council program for our Scouts and Scout Leaders and is geared toward providing a quality customer experience for our Scouting units. Though not as long as summer camp, Scouts can still earn merit badges and participate in lots of fun and appealing activities. Not only will you see many returning merit badges as you may have seen during our summer camp program, but you'll also notice the plethora of new ones also being offered. Campsgiving is staffed by none other than the PREMIER Circle Ten Camp Constantin summer camp staff, who are committed to delivering to you a quality program. Our leadership group has come up with a multitude of ways we can make your experience the best it can possibly be with new program activities being implemented this year. We are excited and awaiting your arrival. If you have any questions, please reach out. We would be happy to help!

Program Information

Welcome to Camp Constantin! First and foremost, our staff at Camp Constantin dedicates themselves to providing the best program possible to supplement the year-round programs of each Scout troop. This is the Circle Ten Council Summer Camp Mission. However, here at Camp Constantin we like to do it in style!

Jack D. Furst Aquatic Base at Camp Constantin is known for its aquatic's programs, but for Campsgiving we will be focusing on our other program areas, filled with a diverse merit badge selection, and staffed by fellow Scouts and Scouters who are ready and eager to help your youth on their Trail to Eagle.

These areas include:

- STEM
- Handicraft
- Eagles Landing
- Industrial Arts
- Shooting Sports
- Scout Skills
- Video Gaming

Merit Badges

At Campsgiving, our merit badge program looks a little different from summer camp. As opposed to the 5-period style, we will be offering four 90-minute periods, in which a Scout will take an entire merit badge class within the two 90-minute sessions. This allows us to maximize the amount of merit badges a scout can earn within such a short time. The wide majority of merit badges will be completed, but there will be a couple of partials due to the nature of the requirements. A full list of merit badges is available on the event page on Black Pug. Please note, there are a couple of classes that take up multiple blocks. These special classes are noted in the class catalog. View the Class Catalog [HERE](#).

Adult Classes

We are currently not offering any adult classes. If any are added, you will be able to sign up for them at camp.
