Scouts' Own Service (Unit Campsites)	9:00 AM	9:30 AM
Camp Checkout – Daffron Pavilion	9:30 AM	10:30 AM

Note: A full list of activities will be distributed to unit leaders prior to the Cuboree.

Participants: Cuboree is open to all Cub Scouts and their adult family member/guardian. Siblings and non-Scouts who are related to the Cub Scout may also attend with the adult family member/guardian. Please note that the activities will be outdoors and geared to Cub Scouts in grades Kindergarten – 5th grade. The only activity that is age restricted is BB guns. Lions (Kindergarten) may not participate in BB guns but may participate in archery and wrist rockets with an adult alongside them. Archery, wrist rockets and BB guns will be offered if we have the staff to do so.

If any adults attending with your unit hold a current NRA Range Safety Officer (RSO) certification, please provide their names and phone numbers. This is not a firm commitment, but we may contact them directly if we need help. (Submit RSO names using this link: [Volunteer Sign-Up](#))

Check-in Procedure: Each family or group should check in at Daffron Pavilion as they arrive and pick up schedules and maps. Every participant must pick up a wristband at registration and wear it throughout the event. Please ensure you have completed health forms, [A and B](#). Event staff will check them but will not collect them. Once your group has checked in, you may proceed to your campsite. Check-in is open from 5:30 PM to 9:00 PM on Friday and from 7:00 AM to 11:00 AM on Saturday. **Please bring a roster of participants from your Cuboree registration confirmation to turn in at check-in.**

Campsites will be assigned by event staff. Every effort will be made to keep packs together at one site. Only Scouts and adults from the same household may tent together during this event. Campsite assignments will be emailed to unit leaders prior to the event and will be available at check-in.

Campfires: All Scouting America and Circle Ten Council campground policies must be followed. Campfires are only permitted in established fire rings. Units may NOT dig new fire pits. Be sure all campfires are completely out (no heat/embers) before leaving the campsite for activities, retiring for the night, and before you check out on Sunday. A fire check will be made, and you will be asked to extinguish the fire if no one is tending it. Please use the downed wood around the campsite for campfires. If there is a burn ban, campfires will not be permitted.

Flag Ceremonies: Opening flag ceremony will take place at the Daffron Pavilion flagpoles at 8:30 AM on Saturday. A closing flag ceremony is scheduled for 5:00 PM on Saturday.

Garbage: There is a dumpster located in the parking lot near Daffron Pavilion. Try to pack food products to have as little trash as possible.

Health/Safety/First Aid: Minor first aid is a unit responsibility. Major first aid problems will be handled by Cuboree first aid staff located at the Health Lodge. In the event of an extreme emergency, call 911 first and then notify the Health Lodge.

Latrines: Camp latrines and bathhouses will be used. Units should bring their own toilet paper, soap, and cleaning supplies. Latrines and bathhouses must be cleaned prior to checkout.

Lost and Found: Any lost items will be collected and kept at the Daffron Pavilion. Please check there before leaving camp.

Meals: Units will be responsible for providing their own meals. The event will not be offering meal service. For lunch on Saturday, units can return to their campsites or may eat lunch at the Cub World Activity Center (CWAC). For participants who are not camping, we recommend that each participant bring a foldable camp chair for use at lunch.

Parking: In designated parking areas only. Absolutely no vehicles other than those attached to trailers may be left in campsites without permission of the camp ranger.

Patches: Each registered Scout will receive a Cuboree patch at unit check-out.

Tents: Packs and families must furnish their own tents.

Uniforms: Cub Scouts may wear either their uniform or a pack T-shirt with jeans or shorts. All participants should wear closed-toe shoes with socks.

Unit Leader Meeting: 9 PM on Friday evening at the Cub World Activity Center (CWAC). The unit leader should attend. All units must be represented at this meeting. Any changes to the schedule of activities, camp-specific items, and other essential information will be distributed at this meeting. If your unit does not arrive until Saturday, your unit leader should check in at the Daffron Pavilion for any updates.

Volunteers: Parent Volunteers are needed to help make this Cuboree possible. Each unit should plan to cover at least two volunteer shifts on Saturday. Please follow the link for the list of available shifts. (Link: [Volunteer Sign-Up](#))

Note: Any shifts left unfilled by end of day Tuesday, 3 Nov, will be assigned to units.

Water: Available at the camp. Everyone should have a personal water bottle.

What To Bring:

Cuboree Packing List

** = needed even if you're not staying overnight*

Clothing	Sleeping & Camp Gear	Health & Safety	Toiletries
