The Texas Parks and Wildlife Department ("TPWD") has partially reopened the Texas Freshwater Fisheries Center ("TFFC") but has ordered that no more than 100 visitors may be on the grounds at any time. We are expecting 500+ for our Scout event. Accordingly, we had to reschedule the date and move the venue.

Please know that we are strictly following COVID-19 guidance from the State, TPWD, County officials and BSA Circle Ten Council. There will be strict COVID procedures in place for everyone's safety. Accordingly, this will be a day trip only Council event. Regrettably, COVID procedures will prohibit unit camping at TRJ.

Check the Circle Ten Council website <https://www.scoutingevent.com/571-2020tffc> for registration and more information beginning January 2020. For Circle Ten reservation questions, contact Kember Hall [Kember.hall@scouting.org](mailto:Kember.hall@scouting.org).

Help wanted! BSA registered adult Merit Badge Counselors and other support staff needed. Do you need a Wood Badge Ticket or OA Service Hours? Contact Event Chair at [Chip.Perryman@Gmail.com](mailto:Chip.Perryman@Gmail.com).
