## OUR STORY

Since it's inaugural day September 9, 2017, this event has brought teams together from around the region, and from various industries, for a little friendly competition and to support the Yucca Council Boy Scouts of America!

For one day, our guests take over the Mesilla Valley Shooting Sports complex just outside of Las Cruces, New Mexico, and engage in a day of unique, fun shooting. All money raised benefits local youth.

Shooting features include:

- Sporting Clay Competition
- Handgun Challenge
- Precision .22 Challenge
- Archery Challenge (High Desert)
- Cowboy Action Shooting
- and much more!

Come out and join us for another exciting day on the range!
