## **AND OF COURSE, THE SLED RACES!!!**

**(SEE INSTRUCTIONS BELOW)**

For more information contact the Yucca Council Service Center at 915-772-2292 or visit

## **Prior Registration is a Must!!!**

Registration forms and funding must be received **NO LATER THAN NOON, Friday February 20, 2026.** **Due to National Park regulations, we cannot accept payment or registration on the day of the event.**

**\*\*\*Please be advised that the entry fee is separate from the Yucca Council registration fee.\*\*\***

**First 300 registrants are guaranteed event patches.**

If a Pack has more Lions/Tigers/Wolves/Bears/Weebelos at the time of check-in than were listed on the registration form, they will be added to the Pack's registration. This is necessary so that the council will know how many units/youth will be in attendance. Scouts not registered by February 20, 2026 may not receive a patch.

The recommended den size is six (6) Scouts for the Cub Scout Klondike Derby. If a den has less than six Scouts, some scouts may have to compete twice at an event. If a den has more than six scouts, the Leaders should ensure that Scouts alternate sitting out on the events equally.

### **Important Things for Everyone to Remember**

Scout spirit, teamwork, den flags, and den yells influence scoring significantly. The more of each the better the den score. No one is likely to have extra clothes or equipment to loan if someone's clothing gets wet. Take a few precautions before you leave home to stay warm and dry. If anyone has any questions, get answers to those questions before leaving home. Keep an extra set of clothes in the car, just in case, *BE PREPARED*. Bring a compass to the derby and know how to use it in a general fashion. Please pay attention to the warning signs that you will see along the yellow warning tape. These warnings were placed to protect the environment within the White Sands National Park.
