WC78 8-10:55 AM Bath House- K Danny Alexander Days: Su Mo Tu		Mountain Man Intermediate- Frontiersman Camp Preston Hunt's Mountain Man program is designed to give older Scouts a chance to experience what life was like for the real "Pioneers" of American history. The Eighteen Hundred's was a very interesting time in the history of our country, a time for the "Mountain Man". Hardy, wild, and free, these history makers blazed the West and carved our rich heritage and endless history into the rugged mountains and land of our vast American wilderness. The mountains and lands are still there for us to see. They are but an echo, sounding strongly through stories and traditions that still endure. The Mountain Man Program at Camp Preston Hunt is designed to carry the traditions that were popular during that time of our history. Although parts of some merit badges can be completed, the program is not designed to be a merit badge program. AWARDS Participants who complete all of the Mountain Man requirements will earn a special Mountain Man patch. Program instructors will keep a record as participants complete requirements. The special patch is awarded for completion of the program, not just for paying the fee and showing up part of the time.

Aviation

For most of history, people have dreamed of flying, imagining how it would feel to soar through the sky like an eagle or hover in midair like a hummingbird, to float on unseen currents, free of Earth's constant tug, able to travel great distances and to rise above any obstacle. Today, through aviation, we can not only join the birds but also fly farther, faster, and higher than they ever could.

Fish and Wildlife Management

Wildlife management is the science and art of managing the wildlife - both animals and fish - with which we share our planet. Maintaining the proper balance and the dynamics that go with it requires humankind's attention. We use this stewardship tool to help minimize or eradicate the possibility of extinction of any given species. We want our descendants to have the opportunity to experience the same animal diversity that we now enjoy.

Soil and Water Conservation

Conservation isn't just the responsibility of soil and plant scientists, hydrologists, wildlife managers, landowners, and the forest or mine owner alone. It is the duty of every person to learn more about the natural resources on which our lives depend so that we can help make sure that these resources are used intelligently and cared for properly.
