

WOOD BADGE

Advanced Leader Training

Wood Badge is the highest-level training program for adult Scout leaders in all Scout program areas and Scouting Professionals...this means YOU !!

You will learn skills to be a more effective leader, manage conflict and develop your adult & youth leaders so they can effectively plan projects and achieve objectives. The first section (two weekends) is practical training which takes place in classroom and outdoor settings; during this portion of the course, you will learn and practice a variety of leadership skills. During the second section, you will apply your newly acquired skills to complete five goals of your choosing that will have a positive and lasting impact on your unit, district or council.
