## What Is University of Scouting?

University of Scouting is a full day of classes and training opportunities for adult leaders and youth offered annually by the East Texas Area Council. Event goals are to enhance your program with classes taught by other Scout volunteers willing to share their knowledge and experience. The day provides ample opportunity for fellowship and networking with other committed scout leaders from around your Council. The university offers a plethora of different courses, ranging from outdoor skills such as knot tying, cooking, and picking camping gear to group management concepts to keep youth in your unit productive and on track. The University of Scouting has courses for first-time leaders to experienced leaders planning a high-adventure expedition.

Choose from more than 40 classes in 4 colleges: Cubs, Scouts BSA, Venturing and General Studies.

Youth can attend the College of Youth Leadership Skills.

*Every Scout deserves a trained leader.*
