

National Youth Leader Training is an exciting, action-packed program designed to provide all youth members of the Scouting Community with leadership skills and experience they can use in their home unit and in other situations demanding leadership of self and others.

The Youth Training Continuum

Youth leadership training is a three-phase training experience, and a common thread will connect all three phases. The first phase begins in the unit with the senior youth and adult leader conducting the Introduction to Leadership Skills training (ILST). Phase two is NYLT, conducted by the experienced youth and adult staff of the Green Mountain Council. The third phase is the weeklong National Advanced Youth Leadership Experience (NAYLE) at the Philmont Scout Ranch.

Course Overview

The NYLT course centers around the concepts of what a leader must **BE**, what he must **KNOW**, and what he must **DO**. The key elements are then taught with a clear focus on **HOW TO**. The skills come alive during the week as the patrol goes on a Quest for the Meaning of Leadership.

NYLT is a six-day co-educational course. Content is delivered in a group and team outdoor setting with an emphasis on immediate application of learning in a fun environment. Interconnecting concepts and work processes are introduced early, built upon, and aided by the use of mnemonics (memory aids) which allows participants to understand and employ the leadership skills much faster.
