## Mount Norris Scout Reservation Summer Camp 2026

**Use this information to make your 2026 merit badge selections.**

Go to <https://www.scouting.org/skills/merit-badges/all/> for additional 2026 change information.

In 2024 we first developed a color-coding system to describe three different merit badge type categories offered at the Mt. Norris Scout Reservation. **A Green-type box depicts our core merit badge offerings, available every year. A Blue-type box depicts those merit badges which are offered during our designated specialty weeks.**

**A Red-type box depicts “by-chance” merit badge; offerings that are available because an expert MB Counselor is in camp that week and has agreed to teach the class.**

**This year we added a Purple-type box which depicts a recently “Rotated-Out” merit badge that will not be offered again at MNSR for at least two years.**
