

Three Rivers District Presents Board Games Camporee

Camporee Director's Minute

We would like to welcome all Scouts, Scouters, and parents to another great Camporee and the coming together of the Long Trail and Three Rivers Districts for the 2022 "BSA Board Games" Spring Camporee. Get ready to play games such as Operation, Memory, Chutes and Ladders, and many others! This year's events will concentrate on competitions that center on the core skills and disciplines that lay at the heart of the Spirit of Scouting.

I have all confidence that we will have another fun, educational, and safe Camporee weekend that will embrace all that has drawn us to Scouting and all that it offers. Any safety precautions that are needed due to the COVID-19 pandemic will be announced closer to the camporee date.

This packet will provide our Camporee participants with the registration details and forms needed for the event. It will also provide our Patrols with descriptions of the competition events so that they may **Be Prepared** for the events. To also help in being prepared, there will be a Zoom meeting that will go over the Camporee and additional details. This date will be announced closer to the camporee.

In closing the Camporee Staff are excited to be putting on another great event for you and cannot wait to see you all there. If you have any questions or concerns, or would like to volunteer to help staff the event, please feel free to contact us at miss.muckles@gmail.com or via phone at (802) 922-8792. We will do our best to help however possible.

Yours in Scouting,

Shannon McCullen - Scoutmaster, Troop 658G, Winooski VT

Sebastian Szkier - Scoutmaster, Troop 658B, Winooski VT

BSA Requirements for 2022 Spring Camporee

Medical Forms - Each registered Scout and Scouter must have a completed BSA Annual Medical Form Part A and Part B. Part C requiring a doctor's exam is NOT required for this weekend event.

These forms can be found online at -

<http://www.scouting.org/scoutsourc/HealthandSafety/ahmr.aspx>

It is the responsibility of each Troop leader to maintain control of the medical forms for each of their Scouts participating, and to provide Camporee Staff with quick access in case of an emergency. If the Troop leader must leave the grounds for any reason they need to transfer control of the medical forms to another Troop leader or parent. The Part B of the medical form includes the BSA Talent Release Agreement. If any participant elects not to sign the Talent Release Agreement, please bring this to the attention of the Camporee Staff when you check-in. If there are any medical conditions or considerations for any of your Scouts, please bring these to the Camporee Medic's attention at check-in as well.

Camporee General Information

Check-In - Friday May 13th, 2022 5:30pm to 7:30pm - The Scout Master and SPL should be the only Troop representatives at the check-in/registration table.

Campsites will be assigned at check-in and will be determined by the number of campers in each Troop. Space will need to be made to neatly park your Troop trailer within your designated campsite boundaries. Parking will be at a premium, so it will be more important than ever to rideshare and economize travel to include as few vehicles as possible. Please be Kind and Courteous to our Staff as they do their best to facilitate a fun event for you and our Scouts.

Check-Out - Sunday May 15th, 2022 10:30am until complete - Sunday morning will consist of your Troop's breakfast, campsite clean-up and clearing by our Staff, and finally the check-out with Camporee Staff.

Scout Spirit - Scout Spirit is the core of everything we do as Scouts and Scouters. It is the embodiment of the Scout Oath and Scout Law, and it is the cheerful and positive attitude displayed in all we do. Scout Spirit is the beacon that sets Scouting apart from other youth programs. It is an expectation that all those participating in the 2022 Board Game Camporee be ambassadors of the Scouting Spirit in all we do.

Uniform - The uniform for Camporee is the BSA Field (Class A) Uniform. The Field Uniform is expected for all Scouts and Scouters during registration, flag ceremonies, Campfire, and Scout's Own. The Activity (Class B) Uniform can be worn during campsite set up, competition, and meals. Please stay aware of the weather for Camporee weekend. It is the responsibility of the Troops to have weather appropriate

clothing on hand, as well as a change of uniform if necessary.

Troop Flags - Each Unit is expected to have their unit flag at the camporee to help identify their unit and show scout spirit. We strongly encourage each unit to bring their flags to the opening and closing ceremonies. Ribbons for the flags will be handed out as prizes!

Emergency Medical Service - Camporee does provide an event Medical staff for first-aid situations. Scout specific medication and other medical issues should be handled within the Troop. Each Troop should also be outfitted with a campsite first-aid kit that is centrally located.

Campfires –Campsites must use an above ground fire pit. Your unit will need to bring an above ground fire pit if you wish to have a campfire. All these sources of flame should be clearly marked and away from tent areas.

Campfire Program - There will be a campfire program on Saturday evening. Patrols are welcome to perform a skit, song, or story at the campfire. The skit, song, or story must follow the BSA campfire regulations and is required to be approved by the camporee staff. Please see this document for campfire regulations: <https://www.scouting.org/wp-content/uploads/2021/04/NCS-Ceremonies-and-Campfire-Guidance.pdf>. There will also be an OA callout at the campfire as well.

Cooking/Meals - It is each Troop's responsibility to provide all meals and snacks for themselves. Each Troop is responsible for the cleanliness of their campsite and for packing away their own trash after the event.

Food Storage - Each Troop is responsible for supplying their own secure food storage containers.

Camporee Service - It is strongly encouraged that Scouters and older Scouts from each Troop help to contribute to the Camporee Program in some way, be it through Honor Guard detail, event sponsorship, or volunteering for staff. This is YOUR Camporee and your help is greatly appreciated.

Site Management –We want to continue to show this appreciation by properly respecting the grounds during our event. This means staying within our area of operation and keeping it, and all its facilities, clean. BSA's Outdoor Ethics should be embraced in full during the Camporee. We clean up after ourselves as well as police random litter as we come across it.

We would like to ask that we are vigilant regarding YPT, our Scouts utilizing the buddy system, our PLCs and adult Leaders having accountability of their Patrols/Troops, and all our attendees staying in our assigned areas for the event.

BSA Camporee Events

** Each event description is an overview of the task to be completed in the competition. Target type and count as well as round count may be adjusted depending on the total amount of participants and the supplies on hand. If changes are made to any of the competitions from what is described below, the scoring card for said event will reflect the change, and the changes will be described in detail by the event staff before competition begins. We thank you for your understanding.

Operation – Retrieve first aid materials without touching the sides. Then, use the materials to demonstrate first aid. First aid challenges will come from the Tenderfoot - First Class first aid requirements.

Candyland - Make your way through Candyland in order to get your fire building materials. You must make kindling from a piece of wood and use that to make a fire to roast a marshmallow.

Charades - Scouts will need to act out the uses for different knots. Then, the patrol must correctly make the knot. The knots used will be for Tenderfoot - First Class. Remember, no talking!

Bananagrams - Scouts will need to make words from Scouting quickly!

Rube Goldberg Machine - Scouts will need to make a Rube Goldberg Machine using various materials. The machine will need to span 20 linear feet and must keep a ball in motion the entire time until it lands in a bucket. Ball must go through a minimum of two (2) transitions. They will need to make lashings in order to make their machine work!

Memory - Scouts will need to play Memory card game with animal tracks and common plants. Scouts must also identify the plant or what animal made that track.

Yahtzee! - Shoot arrows at dice targets! If you get five of the same number, Yahtzee!

Chutes and Ladders - Answer Scout trivia as you move through the board. Try and go up ladders and avoid the chutes!

Camporee 2022 Competition Scoring

Each Scout and Patrol is encouraged to participate in all the events to be able to achieve the maximum number of points. Every Troop should carry their Troop Flag with them to every competition, work as a team and involve each member of the Troop in all events to demonstrate their Scouting Spirit wherever they go. In all activities and challenges, every Scout should keep SAFETY FIRST as their first goal awards are based on the Patrol's achievements based on the standards below.

Scoring will be based on how the patrol does at each event. There will be a score sheet given to each patrol at the start of the camporee. It is the responsibility of each patrol to hold on to their score sheet. Patrols must turn in the score sheet at the end of the activity period.

Troop Camporee Competitions

Hot Potato - There will be a hot potato competition for Saturday dinner. Please note, the potato should be hot in temperature not in spiciness. Come up with your best baked potato and you don't even need to throw it!
