**Monitor Merrimac District
Spark Plug Award**

Every unit has a person that provides the “spark” that keeps the Scouting program on track. You will have the opportunity to recognize that person at the District Recognition Dinner by presenting them the Spark Plug Award.

We will present the award to the person you nominate. All we ask is that you keep your narrative short and sweet. To help us in planning the dinner (and to make sure that we have enough awards available) we ask that you let us know in advance who you will be recognizing.

As the nominator, it is your responsibility to make sure that the person you want to present with the award **is in attendance** at the dinner.
