PURPOSE OF CUB SCOUT DAY CAMP

Cub Scout Day Camps are an active outdoor program. These programs offer age-appropriate program opportunities where a Scout can try his or her hand at a variety of activities, such as; swimming, STEM, bb-guns, archery, field games, campfires, flag ceremonies, songs, and ecology/conservation elements.

All of their experiences will be a part of their Cub Scout adventure –electives towards rank, working NOVA award requirements, and so much more!

RUN BY VOLUNTEERS

SUPPORTED BY FAMILIES

Day camp **absolutely** requires family support to make it happen. Make sure that, when your Pack registers, there is **one adult volunteer per every four Scouts** attending day camp.

All day camp staff, leaders, and even directors are adult volunteers, most with Scouts attending camp – we truly can't do it without you! See the 2024 Day Camp Guide for additional information, and thank you for all you do.
