CAMPSITE ASSIGNMENT: The Field Day site will be laid out with pre-assigned unit campsites based upon unit size. Campsites will be designated for each unit within the area shown on the attached Site Plan (pending). AOL Dens will be shown their site upon check-in.

GENERAL RULES/GUIDELINES: All Scouts, Scouters and visitors must adhere to the following:

1. The Scout Oath and Law
2. The Outdoor Code
3. The Guide to Safe Scouting

Additionally, these rules must be followed:

1. **Scouts are NOT permitted on the “boat” or on or around the fence, or inside the fenced area surrounding the cell tower apparatus or on the apparatus itself.**
2. Unit leaders are responsible for their Scouts and visitors. **The “Buddy Rule” will be in effect.** Scouts are not permitted to roam individually through the campsites during the scheduled program activities.
3. Scouts are not permitted to leave the boundaries of the Field Day site unless moving with their unit.
4. Excessive noise or activities are not allowed.
5. Units moving along roadways must walk in no more than two columns.
6. A Scout is Clean – **each unit should come prepared to provide hand washing/sanitizing capability within their campsites** and, to minimize wastewater, each participant should also bring their own individual hand sanitizer.
7. Gray water disposal procedures will be delineated at the Leader’s Meeting on Friday evening.
8. Units are prohibited from using generators.
9. Quiet hours will be observed from 11:00 PM to 6:00 AM each night.
10. Fireworks, pets, firearms, electronic games, radios, TVs, and other electronic entertainment are NOT permitted. Sheath knives are NOT recommended.

LEADERSHIP: All unit leaders are responsible for the conduct of their personnel and any visitors. Two- deep leadership (in compliance with Youth Protection Guidelines and the Guide to Safe Scouting) is required at all times.

UNIFORMS: Cubs and attending family will wear Class-B uniforms (Scouting T-shirt) for activities during the day on Saturday. Additionally, AOLs who camp overnight will wear official Scouts BSA field uniforms (Class A shirts buttoned and tucked in, belts worn, etc.) at the Campfire and Scout’s Own ceremony Sunday morning.

Note: No open-toe shoes are permitted in camp. This includes all participants, visitors, staff, and leaders, both youth and adults.

SCOUT CONDUCT: It is important that all youth and adults conduct themselves in a Scout-like manner throughout the event. Excessive loud noise will not be tolerated. It is the unit’s responsibility to ensure the proper conduct of their members and guests.

RECRUITING: The Field Day is a great opportunity to recruit new youth and adults. Interested youth (Cub Scout age) and adults, who wish to see what fun Scouting is, are welcome to register with a Pack and attend with them. Units should see this Field Day as a recruiting tool and encourage the youth to invite their friends to join them for the Day.

MEDICAL SERVICES: It is the unit’s responsibility to have an Annual Health and Medical Record (Parts A, B1, and B2) for all participants. They may be kept at the campsite but must be made available to the medic upon request. **Individuals without medical forms will not be allowed to stay.** Units must bring their unit first aid kits to treat injuries within their capabilities. Units must report ALL injuries and other medical situations to the Field Day/Field Day Medical Tent,

even injuries treated by the unit. All medications, including over the counter and prescription medications, brought to camp are the responsibility of the unit leader. The Medical Tent will be staffed by qualified medics throughout the event. CPAP users must bring battery packs to power their equipment. There will be no power available in the campsites, however, the battery packs may be recharged at the shelter during the day.

CAMPSITE SET-UP: It is important that campsites are neatly maintained throughout the event.

FIRES and COOKING: **Open fires will not be permitted in campsites.** Lanterns may be used in the campsites, if elevated off of the ground. Do not dig into the ground to form fire pits.

MEALS: **Saturday night dinner will be provided, ALL** other meals are the responsibility of each unit, and no supplies will be provided by the Field Day/Field Day Staff.

WATER: Water is available at Columbian Club. The water spigot is located near the shelter. Units must bring their own water containers ***full of water, then refill using the available water as needed.*** Scouts should carry their own water bottles during all activities. Washing dishes, playing in the spigot water or any other activity except filling water jugs is prohibited.

LATRINES: Bathrooms are onsite and available for use during the Event. Female and Handicap facilities will be appropriately marked.

TRASH DISPOSAL: Dumpsters will be available. Refuse and trash are to be collected in plastic garbage bags (provided by the unit) and placed in the dumpster before you leave camp. All participants are expected to practice the Leave No Trace principles to the maximum extent possible.

PATCHES/RIBBONS: All registered attendees will receive the event patch. Patches will be distributed to Cubs following the campfire program.

TAPS/LIGHTS OUT: A Scout is Courteous. Taps are played at 11:00 PM. Unit leaders must ensure that lanterns are out, and all youth are quietly in their tents. Quiet hours extend until 6:00 AM.

BAD WEATHER: Be Prepared. All units should arrive prepared for foul weather. See available training in e- training at my.Scouting.org. In case of a very severe weather threat, the Field Day may be rescheduled.

RELIGIOUS SERVICES: A Scout is Reverent. All participants are expected to attend our non-denominational, non-sectarian Scout's Own Service held on Sunday morning. All registered Scouts and Scouters must wear field uniforms/Class A's to this service. Please ensure that all Scouts attend this event and help your fellow Scouts as they fulfill the requirement for their religious emblem and as leaders fulfill requirements for their training. A Scout is Courteous. Since this service is a field service, all other activities in the Field Day will cease to reduce noise.

FEEDBACK: Units are requested to provide constructive feedback to the staff at the conclusion of the event. Please complete the attached Field Day/Field Day Evaluation Form (Attachment

G) and return it to the check-out person upon exit. Evaluation forms are to be filled out by youth and adults. At least one feedback form must be turned in to receive the Unit's Field Day patches.

AOL CAMPER CHECK-OUT: Do not leave camp before your site has been inspected. All units must depart no later than 11:00 AM Sunday, October 27th. Each unit is expected to clean their campsite area. When ready for check-out, please send a representative from the unit to the Staff Headquarters Shelter to request a check-out inspection. AOL Dens will receive their patches upon successful completion of the inspection. Units will not be allowed to pack out of their sites during the Scout's Own Service.
