## General Information

**Age Appropriate:** Classes at Tidewater University are separated into different departments to identify program and age appropriateness. Please refer to the table below to determine which classes are most appropriate for you and your Scouts. Most classes are adult led, however in the Youth Leadership Academy (YTH) most classes are youth led. Continuing Education classes (CED) are primarily intended for adults but those marked with \* are also appropriate for older youth.

Name	Adult	Youth Grade 9-12	Youth Grade 4-9	Youth Grade 2-4	Youth Grade PK-1

**Prerequisites:** Some classes have requirements that should be completed before arriving. Prerequisites are listed on the Class Schedules and the Class Catalogs. If none are listed, there are no prerequisites. If the prerequisites are not completed in advance, participating in the class is at the discretion of the instructor.

**Merit Badge & Certifications:** Some classes, such as merit badges and first aid certifications, have standardized requirements. Participants must fully participate in those classes and complete all requirements as written. The instructors do not have the ability to change these requirements.

**Class Sections:** Most classes are offered only once and have a section labeled A. Classes offered more than once will have additional sections labeled B & C. Participants should attend all periods for their class section.

**Seats:** Some classes have a limited number of seats. These are available by first signup. Exceeding the class limit is at the discretion of the instructor, although some standardized classes may impose a hard limit.

## Bundles

With more than 200 learning opportunities, choosing classes can be overwhelming. Bundles are suggested classes based on a role or topic. They are preloaded in the registration system so they can be easily added to your schedule. However, you do **NOT** have to take all classes in a bundle. We encourage you to take the classes most relevant to you.
