Please ensure that all participants are registered Scouts and registered adult leaders. Please ensure all attending adult leaders are up to date with their Safeguarding Youth Training. Please ensure that you have and bring all the necessary permission slips, medical forms, medications, and unit roster.

As this event is on a Military auxiliary Base, access on and off property is limited to arrival on Friday and Departing on Sunday. If other arrangements are needed, contact the event Chairman. A pre-approved list of adults is not required for this event.

It is the unit's responsibility to have an Annual Health and Medical Record (Sections A & B only) and a unit-provided Activity Permission Slip for each participant. Three Rivers District Traveling Trophy – Recognition will be given to the units based on their campsite inspection score, competition events' scores, and display of Scout Spirit. Awards will be announced at Sunday morning colors.

Scouts' Own Service

A Scouts' Own worship service will be held on Sunday. All Scouts and adults are encouraged to attend.

Clean-up & Check-out

All units are expected to clean their campsite area and latrine. Additionally, all units will be assigned a program area to help clean. Prior to departure all units will check out with Camp-O-Ree staff. Please do not leave camp before your site has been inspected. **See Garbage Disposal Below.**

First Aid

Units are expected to provide their own first aid for minor problems. For more serious problems or injuries, notify the Health & Safety Chairman.

Emergency Situations

In the event of an emergency during the Camp-O-Ree (extreme weather, lost Scout, etc...), the Camp-O-Ree Staff will utilize an air horn as the emergency signal. Units will notify the Camp-O-Ree staff if they are missing any youth and emergency measures will be taken from there.

Inclement Weather

Be Prepared. There is no rain date for the Camp-O-Ree. All units should prepare for foul weather.

Guide to Safe Scouting

The Guide to Safe Scouting guidelines will always be followed. Two registered adult leaders 21 years of age or over are required at all Scouting activities, including all meetings. There must be a registered female adult leader 21 years of age or over in every unit serving females. A registered female adult leader 21 years of age or over must be present for any activity involving female youth or female adult program participants

- Smoking: Anyone under 21 years old is **prohibited** from using tobacco in any form while at camp. Adults who smoke must do so out of sight of any youth members. Smoking is prohibited in any tent or building. Cigarette butts must be field striped and placed in a trash receptacle. This includes E-cigarettes and vaping products.
- Scouts are not permitted to roam through campsites during scheduled activities. Scouts are not permitted to leave the boundaries of the Camp-O-Ree site. No riding in the back of pick-up trucks.

The Field Uniform (Class A) will be properly worn for the following events: check-in, check-out, and flags. Scouts should wear their Activity Uniform (Class B) for Saturday's competition events. Class B's include Scout shorts and/or pants (if the youth have them), along with either a unit T-shirt, or other Scouting T-shirt.

Footwear

Close-toed shoes or boots are to be worn at all times in order to prevent foot injuries. We insist that everyone wear shoes at all times. Sandals that cover the toes and have heel straps are allowed. Flip-flops are not appropriate footwear at the Camp-O-Ree and are prohibited.

Garbage Disposal

All refuse and trash will be placed in plastic garbage bags (provided by the unit) and taken with you when you leave camp.

Water

Scouts are recommended to carry their own water bottle during Saturday's activities. For this event there is a "Water Buffalo" for both the Scouts and Cubs. As the Water Buffalo is in a common area for Scout and Cubs, any time youth need water the Buddy system must be Strictly enforced. This is in line with the Guide to Safe Scouting and Youth Protection.
