

Parent Renewal of a Youth

The parent must be linked to the youth as their parent/guardian in the scout's profile.

Log in to the parent My.Scouting account.

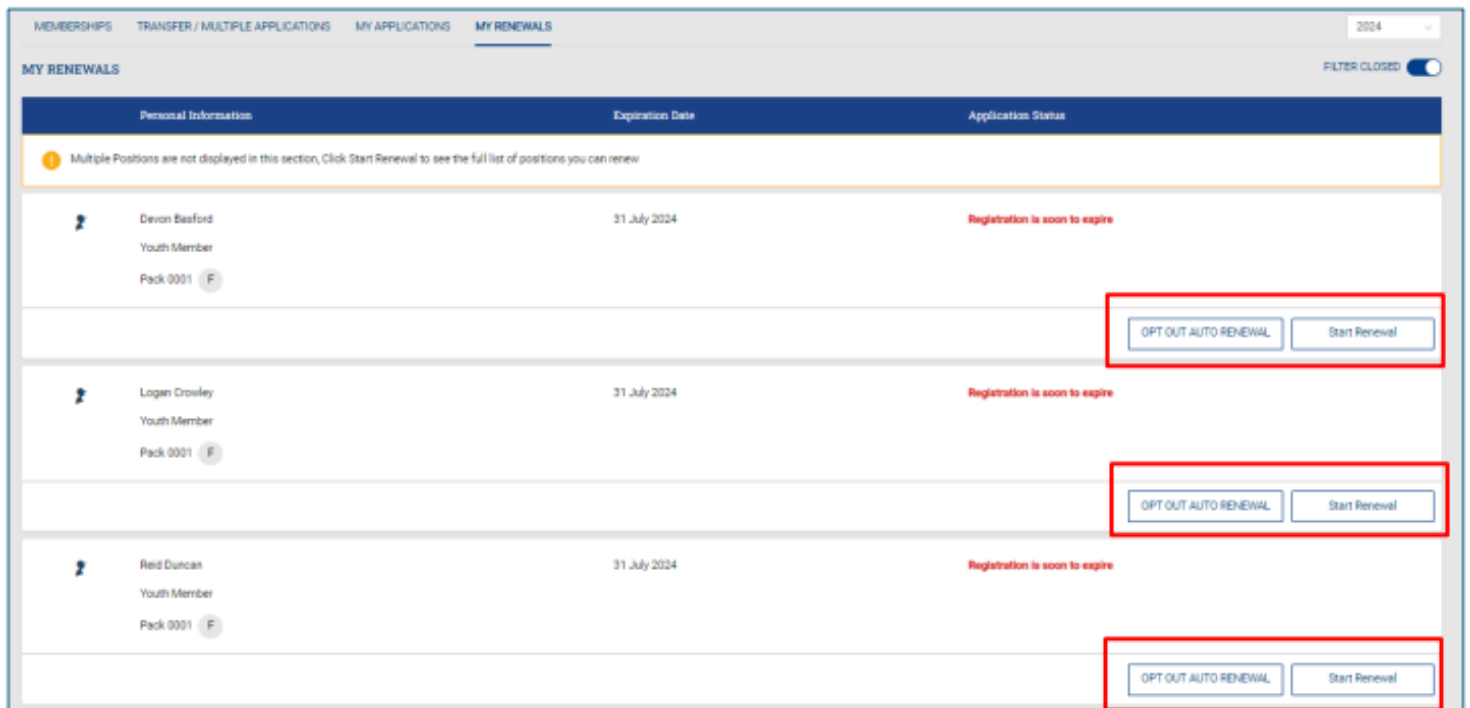

In the top right there will be a red "notification" symbol. When you hover over it, a message appears to renew registrations that are expiring soon. Click on that message.

All youth linked to the parent that have registrations expiring within the next 60 days will be listed, as well as any eligible registrations for the parent.

If the youth is not planning to continue on their Scouting journey, select "Opt Out of Auto Renewal." This will stop any renewal reminder emails from going to the parent/guardian. If opt out is selected in error, you must contact your local council to have it corrected.

Select "Start Renewal" to proceed with the renewal. Renewals will be completed one at a time if there are multiple individuals eligible to renew.

All positions that are eligible for renewal for that individual will be displayed on the screen.

Terms and Conditions

Welcome to the BSA!

The BSA makes Scouting available to our nation's youth by chartering community organizations to operate Cub Scout packs, Scouts BSA troops, Venturing crews, and Sea Scout ships. The chartered organization provides an adequate and safe meeting place as well as capable adult leadership, and requires adherence to the principles and policies of the BSA. The BSA local and national council provide training, program, outdoor facilities, literature, professional guidance, and liability insurance protection.

Parent/Legal Guardian Role in Scouting

Scouting uses a fun program to promote character development, citizenship training, leadership, and mental and physical fitness. You can help by encouraging attendance, assisting with your child's advancement, attending meetings for parents, and assisting the unit when called upon to help. The unit cannot provide a quality program without your help.

By signing here you agree and accept the Terms and Conditions of the Boy Scouts of America
