

ATTENTION ALL TROOPS!

Last Creepy Hollow was such a HUGE success due to our Scouts BSA volunteers, that we want to ask Troops to help us again!!!

Troop Benefits: camping, fun, service hour opportunities (I'm happy to write service hour letters!), hone those leadership skills, fun, mentor younger scouts in EDGE, fun, recruit and promote your Troop. And have FUN! You may put up signs and gateways for your Troop at your assigned station and hand out promotion flyers. We ask that adult leadership be present at each station to guide youth leaders and talk with cub parents.

Cub Benefits: Cubs see teamwork and servant leadership in action while Scouts help them with crafts and science experiments, playing games, setting up and working the haunted house and haunted forest.

- All the activities and supplies are provided for you!
- Units may camp Friday night in Fleet and individual volunteers can be assigned housing (which will be assigned following SAFE Guarding Youth Training guidelines) and wake up ready for our 8 a.m. staff meeting!

Sample Schedule:

Saturday:

- 8:00–9:00 AM STAFF organization meeting in Dining Hall
- 9:00–10:30 AM Campers Check-in @ Welcome Pavilion (STAFF will be setting up stations)
