# CAMP CARD

FUNDRAISER

**RAISE FUNDS TO SUPPORT ALL YOUR SCOUTING ADVENTURES!**

Here's your invitation for an easy fundraising opportunity! Camp Cards are a great way to raise dollars for your unit and can also be used to provide the necessary funds needed for spring and summer camping programs! Cards are sold with 50% of the proceeds kept with the unit and 50% returned to Council. Unsold cards can be returned by the scheduled end date without penalty, making this a RISK-FREE fundraising opportunity. A limited number of Camp Cards are for sale, so be sure to reserve your cards online today! Target Camp Card distribution will begin February 1, 2026 (pending print production).

## **BONUS: We're Offering an Early Bird Sale with Higher Commission!**

Our Camp Card fundraiser will run through May 15, but during the first month of the sale, the split won't be 50/50; it will be 60/40. Units will be able to keep \$6.00 of the sale price of the Camp Card on sales made during the first month, the "Early Bird Sale." Units will need to settle up with Council at the end of that first month to qualify, but Scouts can keep selling during the regular sale at the normal 50% commission rate after the Early Bird Sale ends. Stay tuned for the confirmed dates for the "Early Bird Sale" and "Early Bird Payment Due Date."
