

## IAN CODDINGTON PHILMONT SCOUT RANCH SCHOLARSHIP FUND

**YEAR 2027**

The Ian Coddington Philmont Scout Ranch Scholarship Fund was set up by a family to honor Ian Coddington by helping Scouts afford the Philmont experience who may otherwise not be able to financially go to Philmont. Philmont Scout Ranch is an incredible hiking experience, challenging, inspiring, and often life changing. Ian Coddington, former Scoutmaster of Troop 444, has taken many treks to Philmont Scout Ranch with Scouts. Ian is also an avid hiker and outdoorsman who understands the positive impact that the Philmont has on all Scouts.

The HOVC Philmont Contingent team's goal is to identify Scouts who would benefit from and thrive in a Philmont experience, especially those who might not otherwise consider going due to the cost. To support this effort, this scholarship is available to help ensure that finances are not a barrier to deserving Scouts. If you are a Scout who enjoys outdoor adventure and personal challenges, demonstrates leadership, perseverance, or growth potential and would be excited by a high-adventure experience but may not see Philmont as an option, then this scholarship is right for you!

### **This scholarship fund assists HOVC Scouts to attend Philmont Scout Ranch Treks.**

To be considered for a scholarship, the Scout must provide a short essay (500 or less) stating why they would like to attend and what they are eager to get out of the experience.
