

Spring Family Camporee 2026 Camper's Guide

"Scouting Around the World"

Heart of Virginia Council

Delivering the promise of Scouting

VERSION: 4.13.2026

Welcome Parents and Leaders!

Cub Adventure Camp is especially beautiful as Mother Nature wakes the camp up for the year with stunning flora, and visits from native fauna. Spring Family Camporee is the perfect time to dust off the camping gear and camp with your cub scout in Central VA, enjoying warm sunny days and beautiful Spring breezes while exploring the “*Scouting Around the World*” theme. You can purchase a meal package and let someone else do the cooking or relax at your campsite and prepare your own meals, it is up to you! Enjoy our “Carnival Atmosphere” and rotate at your own pace throughout the activities which include:

- fishing
- BB guns
- scavenger hunts
- archery
- wrist rockets
- “Scouting Around the World” crafts
- field games from other countries
- BMX biking
- hiking the camp trails to see the Spring color!

This is a true campout so beg, borrow, or buy a tent to pitch on our 200 acres. Feel apart of the Scouting community and meet other scout Packs and Parents. Enjoy fellowship at the fire pits and feel the Scouting Spirit rise with the campfire show where your cub scouts are the Stars!

We can’t wait to welcome you back to camp for the first cub campout of the year!

Yours in Scouting,

Heather Mulvihill

Cub Adventure Camp- Program Director

2026 Spring Family Camporee

1-3 May, 2026

Black Pug Registration

Register to attend Cub Adventure Camp events at www.cubadventurecamp.net.

Cub Adventure Camp (CAC) manages its camp registrations using the Black Pug program. This is an online service used by our Council to manage events. You can register your Pack or family online through the Black Pug program at the camp website or through the Council’s online calendar.

If you register using the paper hold-a-space form, your information will be entered into the Black Pug system, and you will receive a Black Pug account. This will be assigned to the primary email address on the registration form. If you already have a Black Pug user ID you would like to use, please include it on the registration form.

You will need to log back into Black Pug periodically to update your registration and enter new information. ***It is very important that you log into your existing registration, DO NOT create a new registration – your payment history is linked to your reservation and your campsite request.*** If you know that your Pack plans to go to CAC, you should reserve a space for your Pack. Later, you can update the reservation with the exact number of people planning to attend camp and you can update information. When you know the names of all your participants at camp you can go into the system and enter your roster. Black Pug consolidates all individual reservations into Pack groups. Camp staff has no way of knowing whether you registered separately from others in your Pack, therefore plan to have one person check-in for your group using the Patrol Method. This set-up is to avoid your standing in a several hundred-person line to check-in.

Refund Policy

Cub Adventure Camp strives to provide the absolute best program possible. Food and supplies are ordered weeks in advance based on registration rates. There will be no refunds on cancellations of registrations. In the case of extenuating circumstances (i.e. sickness or illness with supporting documentation, death of an immediate family

member, or military transfer), please contact pamela.miscikowski@scouting.org. Weather or changing one's mind will not be accepted. This is a rain or shine event.

General Camp Policies

To assure a smooth check-in for campers and an enjoyable camping experience for all, please make certain all adults attending camp have read this Guide and have a copy available for reference while in camp.

Guide Updates

Due to multiple foot injuries during Summer of 2024, the following footwear has been banned from wearing while walking camp and should be contained to the showers:

- Crocs
- Open toed shoes of any kind, ex: Chacos or similar hiking sandals with open toes
- Flip flops

Plan ahead of time to wear closed-toed sneakers or hiking boots to protect your feet and ankles in a camp terrain setting. Failure to wear appropriate footwear may lead to the inability to take part in certain camp activities.

Leader to Scout Ratio

Cub Adventure Camp (CAC) is a Scouting America Nationally Accredited camp owned and operated by the Heart of Virginia Council. Its staff and all participants, including Scouts and leaders, must be currently registered members of Scouting America. This camp abides by National Camp Standards set by the Scouting America and follows all Scouting America policy found in "Guide to Safe Scouting." All Packs in camp must abide by two-deep leadership requirements. We encourage a ratio of one adult for every two Scouts and require a ratio of one adult for every four Scouts. All Packs must always have two 21+ year old Scouting America registered leaders in camp. There must be a registered female adult leader 21 years of age or over if youth girls are in attendance. Notwithstanding the minimum leader requirements, age and program appropriate supervision must always be provided. Parent/child pairs are welcome to attend CAC as lone campers, or they may attend with a Pack. CAC can accommodate either option. In accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating based on race, color, national origin, sex, age, or disability.

Scouting America Youth Protection

Scouting America Youth Protection policies are strictly followed at camp. All adults attending camp need to have completed Youth Protection Training available at www.my.scouting.org. If you suspect that child abuse has occurred, report this suspicion immediately to the Camp Director.

Dietary Needs

If you decide to include the meal plan in your registration, all meals will be served in Navas Lodge, our Camp Dining Hall, and are approved by a dietician. Meals are designed to replenish the heavy caloric expenditure that camping requires. The Dining Hall is air-conditioned; meals are served by our kitchen for Saturday lunch and dinner, and Sunday breakfast. Due to the nature of this event, we are unable to accommodate dietary restrictions or food substitutions. If you have dietary restrictions or medical allergies, please review the menu below to decide if the

meal plan option will be suitable for you and your family. Hot coffee, water, bread, apples and bananas, and peanut butter and jelly are available in the Dining Hall 24 hours a day.

Meal Plan

Saturday Lunch

Juicy grilled burgers and hot dogs, served hot off the grill
Golden crispy fries
Fresh seasonal fruit cup
Garden-fresh salad
Homestyle cookies for a sweet finish

Saturday Dinner

Crispy, golden chicken tenders
Creamy mashed potatoes
Seasoned green beans
Garden-fresh salad
Your choice of pudding or Jell-O for a sweet finish

Sunday Breakfast

Start your morning right with warm French toast sticks, perfectly paired with crispy bacon and a sausage patty. Add a burst of sweetness with apple slices, and wash it all down with a refreshing glass of juice.

Camp Communications

Join our event "GroupMe" for announcements, messages, and program changes throughout the weekend. You can always remove yourself after the event!

Vehicles in Camp

CAC is not a car-camping camp experience. The camp does not have the infrastructure to support it. Cub Scouts should be able to run freely in the camp without the hinderance of vehicle traffic or parked cars.

Please help us keep your children safe by adhering to these rules:

Vehicle Speed – Drivers must exercise EXTREME caution when operating motor vehicles on camp property. IN-CAMP SPEED LIMIT IS 5 (five) MPH (the speed of a walking person). Cubs are here to have fun in a vehicle-free environment. Failure to adhere to the following requests will result in towing and/or a fine from the Goochland County Fire Department.

- Vehicles are only allowed in camp to drop off and pick up gear during check-in and check-out times and must be immediately moved to the Upper Parking Lot.

- Do not stop to set up camp.
- Roads within the camp become emergency lanes once program starts
 - All roads must always remain open for Emergency Vehicles.
- The camp road is closed to in-coming vehicles by **11:30 on SATURDAY.**
- Vehicles will be allowed back in camp **at 8 a.m. after breakfast starts SUNDAY.**
- Vehicles must stay on roads or on gravel parking areas. **DO NOT drive into a campsite or across the grass (shallow septic pipes--also, do you really want to be known as “the one” who caused the big stink?).**
- Follow the traffic arrow to circle the camp to the right to avoid traffic congestion
- Vehicles are required to park in the Upper lot by the Welcome Pavilion.
- We encourage the consolidation of camp gear to one car to cut down on traffic in the camp.
- Camp pull-carts are available to allow transportation of camp gear outside of driving hours.
- Absolutely no one is allowed to ride in the bed of a truck.
- No one under 18 is allowed to operate a vehicle at Cub Adventure Camp.
- No cars may be parked in a campsite overnight without a Camp Parking permit, (see **Handicapped Parking** below)
- The Lower lot is for Camp staff parking and Emergency vehicle access.
- **After check-in, the only vehicles that will be seen in camp during the weekend are Ranger trucks (pickups) and camp vehicles marked with camp signs on the doors that carry extra Council vehicle insurance.**

Handicapped Parking

Requests for special parking passes for medical conditions will be made on a case-by-case basis. Special passes must be requested in advance and will be issued on the day of the event. Every reasonable effort will be made to accommodate those with physical disabilities or special needs. Please communicate with the Camp Program Director for a pass.

Wrist Bands and Visitors

All campers are issued wristbands at check-in and must wear them during their stay at Cub Adventure Camp. Visitors must check in at the Camp Administration Building and are issued a wristband at that time. Anyone (except Staff) found in camp without a wristband will be escorted to the Camp Administration Building immediately. Staff are trained to immediately escort people found in camp without a wristband to the Camp Director. If your wristband becomes lost or damaged while in camp you may receive a replacement at the Admin. Building.

Alcohol, Tobacco, Firearms, and Knives

- No alcoholic beverages or harmful/illegal drugs are allowed in camp. Failure to comply with this policy will be grounds for removal from camp and possible banning from future camp events.
- Per Scouting America policy, smoking, use of any tobacco products (to include chewing tobacco and vape devices) or marijuana is prohibited in buildings throughout the camp and in the presence of Scouts. The designated adult smoking area is the Upper Parking Lot.
- Personal firearms, large sheath knives, and large folding knives are not allowed at camp.
- CAC provides BB guns for campers to use at the BB range with staff supervision. Individuals are not permitted to bring personal BB guns.

- CAC provides Archery bows for campers to use at the Archery range with staff supervision. Individuals are not permitted to bring personal bows.
- Fireworks are not permitted on Camp property.
- Drones are not permitted on Camp property without prior authorization.

Health Forms, Injuries and Medicines

All campers, adults, and youth, are required to submit a Scouting America Annual Health and Medical Record at check-in. The most current form is available at www.cubadventurecamp.net. Attendees are required to complete parts A and B1 & B2. Completion of Part C is strongly encouraged but not required.

- **PLEASE DO NOT BRING ORIGINAL COPIES OF HEALTH FORMS.**
- **PLEASE DO NOT SEND HEALTH FORMS BY MAIL OR EMAIL.**
- **ALL HEALTH FORMS NOT PICKED UP AT DEPARTURE WILL BE DESTROYED IMMEDIATELY.**

CAC employs a Camp Health Officer who stays on-site and is available 24 hours per day in the Health Lodge. The Camp Health Lodge is fully stocked to handle almost any emergency and EMS response time to camp is less than five minutes.

Adult Leaders and Parents have the option of keeping prescription medications in their sleeping quarters under lock and key or keep them at the Health Lodge and allow the Health Officer to dispense them. A locked refrigerator is available in the Health Lodge for medicine requiring refrigeration.

Non-Emergency After-Hours Help

Help is available at the Administration front counter 24 hours a day. Phone numbers for the Camp Director, Program Director and Health Officer are on the wall behind the front counter.

Camp Contact Information

The camp phone number is reserved for camp business and emergency use only. The number is 804-554-9495.

Inclement Weather

This is a rain or shine event. In case of inclement weather, activities may be interrupted by dangerous lightning. If this occurs take shelter in the nearest large wooden structure and avoid being out in the open. The Fishing Ship and Castle Pool Complex are not safe options. The Dining Hall, Admin. Building and Welcome Pavilion feature lightning protection. Staff are trained to take their groups to designated shelters. It is strongly suggested that Leaders and Parents take “Weather Hazards” training prior to arrival at camp. The camp is equipped with an Emergency/Tornado Siren.

Campfires

- Elevated fireplaces are not allowed.
- A campfire must always be monitored by adults.
- A fire water bucket must be present at all campfires.
- Campfires must be cool to the touch before being left unattended.
- No liquid fuels, candles, gas lanterns, stoves or open flames of any kind are allowed in sleeping quarters.

- All liquid petroleum must be used by adults and stored outside tents.
- Where charcoal and charcoal lighter fluid is used, the lighter fluid must be used by adults and stored out of tents.
- The road and gravel paths are not acceptable campfire locations.

If you cannot locate an unused firepit, join another group and make friends. If you see others without a firepit, please ask them to join you. A Scout is Friendly.

Firewood

- Collect firewood locally in camp; DO NOT bring firewood from elsewhere. This prevents the spread of insects and diseases that can damage our forest.
- NO cutting or trimming of live trees. Please collect dead and downed timber and do not bring chainsaws. Use the downed, dead wood that is around camp.
- Ask the Camp Commissioner for firewood if you cannot find downed timber. Look in the firewood kiosks located in each campsite for firewood.

Lost & Found

A “Lost and Found” box is located at the Camp Administration Building front counter. Found items should be brought there and put in the box. Labeling items with a Scout’s name and Pack number will assist in identification and return. In general, valuable personal items should not be brought to camp. The camp carries no insurance on personal items. All items left at the end of the campout will be donated to charity within a week of the camp.

Uniforms, Footwear and Clothing Attire

Field dress is encouraged to be worn at the evening flag retreat. Crocs, flip-flops, and open-toed shoes are not appropriate footwear for a camp environment and are banned in camp. We ask that all campers wear close-toed shoes (including parents and visitors) while at camp to prevent foot injuries. See the Suggested Packing List on page 14.

Buddy System and Lost Camper

Scouts should use the buddy system while in camp. No scout should go anywhere by him/herself! Cubs and their adult partner should remain together or with a fellow youth scout. Cubs should always be in sight of an adult. Staff is trained to contact the Administration office to notify of a lost camper. Program areas are notified of the situation and will immediately check their group. Sleeping areas are checked. If the scout is still not found, Rangers will lock down the camp, the Emergency Siren will sound, and all campers are to immediately report to the Flag Plaza. Staff is also trained to escort lone campers to either their campsite or activity area. Should those areas not contain their group, radio contact is made with Camp Leadership to help locate their group.

Wildlife and Animals

CAC is in a heavily wooded area of Goochland County in Central VA. We do have wild animals and snakes that roam freely throughout the area. Our skunks are very used to having humans in their home for several months of the year and food will attract them. Do not store food, including bags of candy, in your tents. You will regret it (read ant infestation). Please do not interact with or feed wildlife. We leave them alone and they will leave us alone. All campsite trash should be placed nightly in the dumpster behind the Dining Hall.

Lake Boisseau is where our fishing activities are located and where two snapping turtles call the lake home. “Big Kahuna” and “Little Kahuna” love to eat fish bait—who doesn’t love a free meal? Should your scout manage to hook one of the turtles, please DO NOT lift the turtles into the Pirate ship. Notify the Fishing Instructor who will cut them free from the hook.

Only Certified Service Animals are permitted on property. Please leave pets at home.

Event Times and Quiet Hours

Scheduled events, including meals and flag ceremonies, will start on time whether all campers are present or not. Should you be late to daily Opening and Closing flags, please stop where you are and respectfully observe in silence.

Quiet hours are 10 PM to 7 AM. Campers should be quiet and in their campsites. Sound travels very far very easily and is magnified in the woods at night. Please have consideration for other campers. Check-In Process

All individual registrations are combined by Pack Number into one registration. Please coordinate with your Pack leadership to have one person pick up your “welcome package” of maps, wristbands and schedules at the Welcome Center between 9 & 11:30 a.m. Please coordinate with your campers where you will be setting up your campsite. This is a non-structured camp out and Camp Leadership will not be tracking where Unit campsites are.

Should you arrive after Check-In time, please proceed directly to the Admin. Building following the path to the right of the Welcome Pavilion. You will be checked in there and receive further instructions. NOTE: Arrival after the Check-In window will result in the hauling of your camping gear to your campsite with a provided camp wagon.

Trading Post Hours

Subject to change. Check on the Trading Post door for posted hours to confirm Opening and Closing hours.

Suggested Time: Saturday 10:00am-7:30pm 8:30pm-9:30pm

Friday Schedule

Friday is a non-supported campout. Friday dinner and Saturday breakfast will not be provided if you have selected the meal plan; and there is no programming, should you or your unit choose to make a two-day campout out of this event. Please make arrangements to provide your own meals. A Health Officer will be available in the Admin. Building. Help is also available in the Admin. Building for other camp related issues.

Noon	The gate will be open to car traffic
Dusk/Sunset	The gate will be closed to traffic; all cars must be removed from the camp.

Saturday Schedule

8:00 am	Gate and camp are open to traffic
9:00am-11:30am	Check-In at the Welcome Pavilion
11:20am	Morning Flags at the Crutchfield Flag Plaza. Camp wide announcements will be made.
11:30am	Lunch for those with Meal Plans in the Navas Lodge Dining Hall
11:45am	<u>Gate will be closed and locked to traffic.</u>
12:00pm-5:00pm	Program areas open
5:45pm	Evening Flag Retreat in the Crutchfield Flag Plaza
6:00pm	Dinner for those with Meal Plans in the Navas Lodge Dining Hall
7:30pm	Campfire Program in the Amphitheater
9:30pm	All activities are closed, commence quiet time at 10pm

Sunday Schedule

7:45am	Morning Flags
8:00am	Breakfast for those with Meal Plans in the Navas Lodge Dining Hall
8:00am	<u>Gate is open for camp traffic</u>
9:00am	Interfaith Chapel Service in the Amphitheater
10:00am	Camp should be empty

Unless there is a medical need, vehicles are not permitted in camp. For those campers checking out early, wagons are provided for the hauling of gear. Campers leaving early must stop by the Admin. Building on the way to their cars and sign out in the camper logbook annotating the name, unit number, time, and amount of people checking out. You may not check out and stay on property, for example: sign out and then attend the campfire.

Camp Sleeping Quarters and Facilities

Spring Family Camporee is a tenting event. Camp housing reservations are not available.

Shower and Bathroom Facilities

- Castle (Pool Complex) shower rooms
- Western Fort shower rooms
- Primitive latrines can be found in Baloo, Yurts, Mountain Cabins, and Mowgli
- Flush toilets are available at Navas Lodge Dining Hall, the Welcome Pavilion, Castle Pool Complex, and the Western Fort

Programming

We have a number of contests for this weekend, and special programming that we encourage all Cub Scouts to participate in.

Fishing Contest

The fish are waking up and the Fishing pond is gorgeous in the Spring. Stop by the pond and try your luck with earning a fishing prize. Prizes will be awarded for the “Smallest Fish”, “Most fish caught from the bank”, and “Best Fish Tale” at the campfire.

Explore the World Hunt

Find 1 of 12 foam world globe balls hidden throughout the camp and bring it to the Admin. Front Counter to receive a prize.

Camp Scavenger Hunt

Participate throughout the day in the Scavenger Hunt--found on the reverse of the camp map you will receive in your Welcome Package. Turn in the completed hunt at the Admin. Front counter to receive a prize.

Join in on the Viking Runes Translation challenge to also receive a prize.

Climbing Tower

The climbing tower will be open on a first come-first serve line. If you are interested in assisting with belaying, we can provide instruction in the a.m. If you are currently certified with belaying, and would like to help, please notify the Program Director. Climbers must wear sturdy shoes in order to qualify to climb—sneakers or hiking boots. Crocs and flip-flops are not approved footwear for the camp environment.

Campfire Show

Everyone at camp is encouraged to wear costumes and perform in the Campfire show on Saturday evening. Sign-ups are accepted at the Admin. front counter. Please adhere to the Scout Oath and Law when choosing performance material, avoiding references to guns, abuse of food, and water (a scout is thrifty and clean), potty humor, etc. Sign-ups will be closed at 6:15 pm to allow us to prepare and organize the show. We regret that we will not be accepting walk-on performances during the actual Campfire show to contain the length of the show. Please be respectful of other performers and stay till the end, allowing everyone to have an audience.

BMX

The BMX course will be open to all bike riders. You may bring your own bike and helmet to ride the course and ride around the camp or use one of our bikes and helmets at the track. Race the clock for a chance to score in the top 3 and receive a prize at the campfire.

Range and Target Activities

The BB, Archery, and Wrist Rocket ranges will be open, first come-first serve. Parents of Lion Scouts are reminded, that per National Council's Range policy, Lions are not permitted to shoot BBs.

There will be 1 award each for both BBs and Archery for the “#1 Top Cluster”, awarded at the campfire.

Chapel Service

9:00am Sunday

Interfaith Chapel Service at the Amphitheater

Suggested Packing List

A Cub Scout uniform is required for camping at Cub Adventure Camp. Sturdy shoes that are suitable for hiking will be useful. Labeling items with a Scout's name or initials and Pack number will assist in identification and return of lost items. In general, valuable personal items should not be brought to camp. The camp carries no insurance on personal items. All items left at the end of the event will be donated to charity.

The following is a list of equipment that will be useful for camping at CAC. Check off each item as you lay out your equipment pack.

Camping Equipment

- Tent
- Sleeping bag
- Pillow
- Air mattress or pad (optional)
- Personal first aid kit
- Flashlight with fresh batteries
- Rain tarp
- Mosquito net

Clothes Bag

- Cub Scout field dress uniform
- Class B activity uniform
- Poncho or raincoat
- Warm jacket
- Pajamas or sweatshirt, sweatpants
- Underwear
- Durable closed-toe shoes, extra shoelaces** (flip-flops and Crocs are only permitted in the shower area)
- Extra socks, shoes, other clothing

Toilet Kit

- Toothpaste and toothbrush
- Comb
- Soap in a waterproof container
- Shower shoes
- Shampoo
- Wash cloth and towel
- Baby powder for anti-chafing

- Medicine (given to your leader)
- Extra plastic bag for wet clothes

Day Bag

- Water bottle
- Hat
- Sunscreen
- Insect repellent
- Hand sanitizer
- Personal first aid kit

Extras

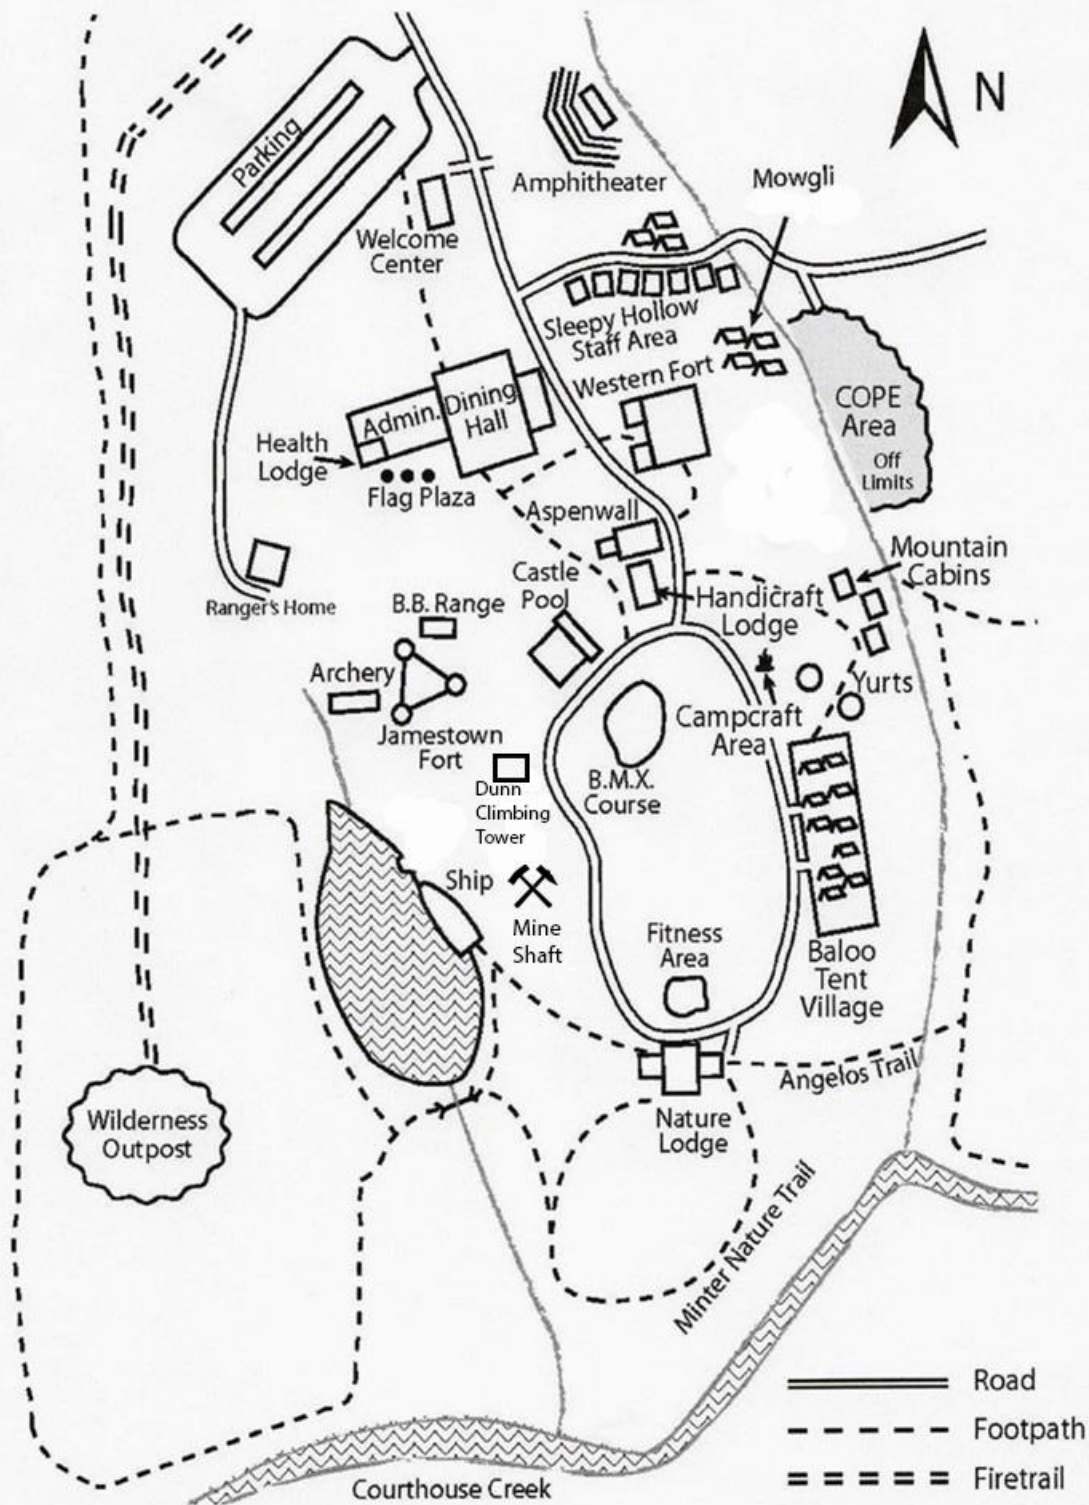

- Pocket knife (Bear rank and above)
- Camera
- Binoculars
- Sunglasses
- Fishing gear (if you would like to use your own)
- Fan
- Outdoor extension cord for electricals
- Cash for the Trading Post

Not Allowed in Camp

- Personal BB guns
- Large sheath knives
- Large folding knives
- Crocs, flip-flops and open-toed shoes
- Portable air conditioners (in housing areas or tents)
