NATIONAL YOUTH LEADERSHIP TRAINING

Sun, June 19th - Sat, June 25th

National Youth Leadership Training is a week-long course that focuses on leadership development. It is the youth version of Wood Badge led by the youth. NYLT graduates learn leadership through proven training techniques and methods tuned for the youth of today. NYLT is "Fun with a Purpose" using games and hands on experience to teach relevant skills!

During this course, youth will experience scouting through various stages of team development within a new patrol and with experienced troop leaders. Staff and participants grow through training and experience in

communication, team building, teaching, planning, evaluating, conflict management, and so much more!

Youth who function in leadership roles in their units return with new ideas and valuable tools to improve their scouting unit. Participants gain confidence during the course and are eager to share what they have learned.

Learn the concepts of what a leader must BE, what a leader must KNOW, and what a leader must DO.
