

Mobilization Check-in Procedures

1. **Upon arrival, all vehicles must remain in the parking lot, park tightly.**
2. Wheelbarrows are available to bring equipment up the hill to the Dining Hall. Limited use on Troop equipment until all units have checked-in. A quick dash up to unload and an immediate return should keep availability for all regardless of arrival times.
3. One **adult**, the **SPL** (or designee), and **each Rescue Patrol Leader (youth)** will enter the Mobilization Center (Dining Hall) to check in the unit and receive additional instructions. There is a mandatory 2000 Leader meeting for Rescue Patrol Leader, Rescue Mentor. If unable to arrive in time, contact Jon Newton 206-660-5902.
 - a. AHMR & Roster. Med Check Station (adult) for all the Rescue Crew's AHMRs. Bring the final roster from registration to be compared against Council's master copy. If replacing waitlisted personnel with registered personnel it is a one-for-one exchange for youth. Additional adults are allowed if registered at Adult Staff. **Contact Gillian and me immediately with an email informing us of requested changes.**
 - i. Roster must identify adult Staff, the specific Rescue Mentor assigned to each Rescue Patrol, pre-coordinated support adults, adults available for assignment to assist staffing stations.
 - ii. Youth staff should be identified.
 - b. Equipment Issue. Each Rescue Patrol Leader will be issued:
 - i. Six **armbands**: Rescue Patrol ID number to be worn on RIGHT upper arm by the LEADER; Role armbands are worn on the left upper arm: LEADER, COMMS, NAV, MEDIC, MENTOR. Armbands are worn with the card facing outwards to the left or right, depending on the arm.

- ii. One **garbage bag** for use during evolutions. All debris must be retained per Leave No Trace guidelines. *RP Leader should include a few minutes before leaving the station to ensure it remains clear of debris. Controller may delay departure if site is not kept clear resulting*

*in a time penalty getting to the next station. **Each full hour is a hard start time.***

- iii. One **Rescue Patrol Binder** containing map with location IDs (Nav) and communication protocols (Comms)
 - 1. Evolution and Base Camp Matrix
 - 2. Evolution Schedule. They will receive this at their first Action Station on Saturday
 - 3. Patient Record sheets (Medic)
 - 4. Comms Log sheets (Comms)
 - 5. Blank paper
- iv. One set of **Semaphore Cards** (send/receive) in binder pockets
- v. One **CPR keyring** containing a personal protection face mask shield for use during CPR. Multiple uses of same individual is not cross contamination. If unused, Scouts may keep it for their First Aid kit.
- vi. 2 ea 4 in hook-ended elastic **roller bandages** (In plastic. Keep if unused)
- vii. 10 ea 4 x 4 in sterile 12-ply **gauze pads** (Keep if unused)
- viii. 3 ea 4 in x 8 ft **roller gauze** (In plastic. Keep if unused)
